DAILY GAZETTE.

A Southern Union Man on the Proclamation.

A very large union meeting was held at the Brooklyn Academy of Music, at which speeches were made by Hon. D. S. Dickinson, Col. Hamilton of Texas, Gen. Rogers of Tennessee, and Judge Fraser of Florida. We make the following extracts from Col. Hamilton's Speech:

NO "OLIVE BRANCH" FOR TRAITORS.

There are those in our midst who proposed to overcome the rebellion by extending the hand of friendship to the disloyal people of the south—to bear down upon them in gallant array, with the sword held back in the right hand and the olive branch foremost in the left. Why, the people of the south had again and again passed resolutions that they never would treat with the government of the United States for peace upon any terms but independence, not only for the states engaged in the rebellion, but as to those still true and loyal, where the institution of slavery existed. And they manifested by their action that they were in serious, sober, desperate earnestness to make good their declaration. Those gentlemen who talked about conquering with olive branches, he would ask who it was they supposed they had to conquer at the south? Did they want to bring the olive branch to the down trodden millions who are beseeching the throne of grace for help and relief from the tyranny under which they were groaning. Be not deceived.—They wanted to see us come *cap-a-pie*, with swords and bayonets. [Cheers.] They wanted to see us come with power to strike the manacles from their limbs, and they would wish to meet us more than half way, and embrace us with tears and joy.—[Cheers.] To whom then, would they extend the olive branch? Was it to Jeff. Davis, to Toombs, to Floyd or Wigfall—those who had deliberately sought to destroy this once glorious republic in order that slavery might be perpetuated; and, who, having put themselves on the hazard of that die, know they dare not be remitted back to the position they occupied before the rebellion.

GRATITUDE AND JOY FOR THE PRESIDENT'S PROCLAMATION.

If asked what he would do, by way of restoring the government, he was willing to have the constitution as it is. That constitution did not forbid the existence of slavery; but on the other hand he had cause to thank God that it also tolerated its existence. [Loud cheers.]. You ask me then, perhaps, are you in favor of the president's proclamation? And that, I am told, is a great stumbling block in the minds of some of the faithful in this portion of the country. Do you accept it as a southern man? Yes, gentlemen, I do. [Prolonged cheers.] I not only accept it, but I know it is the handwriting upon the wall, which makes every rebel in the south tremble in his shoes or boots this evening. [Applause.] It is like the handwriting that one of old saw upon the wall—not so much the hand or the writing which is seen in respect of slavery and its doom—but it is the dread of the unseen body that moves the hand.—That great body, I can tell them, is the American people, who are thoroughly convinced that liberty must triumph over slavery, and slavery must perish in order that liberty may live. [Loud applause.] The fight has begun, and it will never end until one or the other shall succumb.

"Oh! Freedom's battle once begun—
Bequeathed by bleeding sire to son—
Tho' baffled oft, is ever won."

Yes, I accept the president's proclamation, and hail it with gratitude and joy.

After Gov. Hamilton had concluded, resolutions were adopted declaring an antagonism to exist between slavery and the free institutions of the north—the antagonism of aristocracy and democracy, approving the president's proclamation, declaring faith in his integrity and ability, and counselling patience on the part of the people.

Gen. Dix Declines being a Candidate for Governor of New York.

Gen. Dix declines the use of his name to distract the loyal men of New York and aid the supporters of Gov. Seymour. The following letter has been addressed to one of his friends in that state. What a stinging rebuke it contains to the men who are endeavoring to aid the rebellion in the northern states by the election of candidates who are in hostility to the measures of the government.

FORTRESS MONROE, Oct. 22, 1862.

——: My name I see is again used in connection with political office, without my knowledge or consent. I shall remain at my post, doing all I can to sustain the government in putting down the rebellion; and at a moment when the existence of the nation is hanging by a thread. I cannot leave my duties here to be drawn into any party strife. Neither will I ever assent to any adjustment of the contest with the insurgent states which shall acknowledge their success.

The rebellion began in fraud, dishonor and violence, and must end in submission to the constitution and the laws. The secession leaders have put the contest on grounds which would make success on their part indelible disgrace to us.

In my sphere of duty my intention is to carry on the war without either violence to the constitution or to the principles of justice and humanity, and to contend to the last to avert a triumph over all that is stable in the government or honorable in political companionship.

My whole course through life has proved my devotion to democracy and conservative principles. No assurance should be needed that this faith is unchanged. But at a moment like this, unless all parties will rally around the government in putting down this rebellion, leaving questions among ourselves to be settled when the national honor is vindicated and our existence as a nation secured, there can be nothing for us in the future but disaster and disgrace. JOHN. A. DIX.

☞ The Ryan address declares that those who favor the abolition of slavery are the deadliest foes of the republic. The republic is attacked by a conspiracy of slaveholders; to propose to take the slaves from these traitors, without whose labor the rebellion could not exist six months, is denounced as an act of hostility to the republic. This is queer logic.

☞ A dusty day!

DAILY GAZETTE.

A Southern Union Man on the Proclamation.

A very large union meeting was held at the Brooklyn Academy of Music, at which speeches were made by Hon. D. S. Dickinson, Col. Hamilton of Texas, Gen. Rogers of Tennessee, and Judge Fraser of Florida. We make the following extracts from Col. Hamilton's Speech:

NO "OLIVE BRANCH" FOR TRAITORS.

There are those in our midst who proposed to overcome the rebellion by extending the hand of friendship to the disloyal people of the south—to bear down upon them in gallant array, with the sword held back in the right hand and the olive branch foremost in the left. Why, the people of the south had again and again passed resolutions that they never would treat with the government of the United States for peace upon any terms but independence, not only for the states engaged in the rebellion, but as to those still true and loyal, where the institution of slavery existed. And they manifested by their action that they were in serious, sober, desperate earnestness to make good their declaration. These gentlemen who talked about conquering with olive branches, he would ask who it was they supposed they had to conquer at the south? Did they want to bring the olive branch to the down trodden millions who are beseeching the throne of grace for help and relief from the tyranny under which they were groaning. Be not deceived.—They wanted to see us come *cap-a-pie*, with swords and bayonets. [Cheers.] They wanted to see us come with power to strike the manacles from their limbs, and they would wish to meet us more than half way, and embrace us with tears and joy.—[Cheers.] To whom then, would they extend the olive branch? Was it to Jeff. Davis, to Toomba, to Floyd or Wigfall—those who had deliberately sought to destroy this once glorious republic in order that slavery might be perpetuated; and, who, having put themselves on the hazard of that die, know they dare not be remitted back to the position they occupied before the rebellion.

GRATITUDE AND JOY FOR THE PRESIDENT'S PROCLAMATION.

If asked what he would do, by way of restoring the government, he was willing to have the constitution as it is. That constitution did not forbid the existence of slavery; but on the other hand he had cause to thank God that it also tolerated its existence. [Loud cheers.]. You ask me then, perhaps, are you in favor of the president's proclamation? And that, I am told, is a great stumbling block in the minds of some of the faithful in this portion of the country. Do you accept it as a southern man? Yes, gentlemen, I do. [Prolonged cheers.] I not only accept it, but I know it is the handwriting upon the wall, which makes every rebel in the south tremble in his shoes or boots this evening. [Applause.] It is like the handwriting that one of old saw upon the wall—not so much the hand or the writing which is seen in respect of slavery and its doom—but it is the dread of the unseen body that moves the hand.—That great body, I can tell them, is the American people, who are thoroughly convinced that liberty must triumph over slavery, and slavery must perish in order that liberty may live. [Loud applause.] The fight has begun, and it will never end until one or the other shall succumb.

"Oh! Freedom's battle once begun—
Bequeathed by bleeding sire to son—
Tho' baffled oft, is ever won."

Yes, I accept the president's proclamation, and hail it with gratitude and joy.

After Gov. Hamilton had concluded, resolutions were adopted declaring an antagonism to exist between slavery and the free institutions of the north—the antagonism of aristocracy and democracy, approving the president's proclamation, declaring faith in his integrity and ability, and counselling patience on the part of the people.

Gen. Dix Declines being a Candidate for Governor of New York.

Gen. Dix declines the use of his name to distract the loyal men of New York and aid the supporters of Gov. Seymour. The following letter has been addressed to one of his friends in that state. What a stinging rebuke it contains to the men who are endeavoring to aid the rebellion in the northern states by the election of candidates who are in hostility to the measures of the government.

FORTRESS MONROE, Oct. 22, 1862.

——: My name I see is again used in connection with political office, without my knowledge or consent. I shall remain at my post, doing all I can to sustain the government in putting down the rebellion; and at a moment when the existence of the nation is hanging by a thread. I cannot leave my duties here to be drawn into any party strife. Neither will I ever assent to any adjustment of the contest with the insurgent states which shall acknowledge their success.

The rebellion began in fraud, dishonor and violence, and must end in submission to the constitution and the laws. The secession leaders have put the contest on grounds which would make success on their part indelible disgrace to us.

In my sphere of duty my intention is to carry on the war without either violence to the constitution or to the principles of justice and humanity, and to contend to the last to avert a triumph over all that is stable in the government or honorable in political companionship.

My whole course through life has proved my devotion to democracy and conservative principles. No assurance should be needed that this faith is unchanged. But at a moment like this, unless all parties will rally around the government in putting down this rebellion, leaving questions among ourselves to be settled when the national honor is vindicated and our existence as a nation secured, there can be nothing for us in the future but disaster and disgrace. JOHN. A. DIX.

☞ The Ryan address declares that those who favor the abolition of slavery are the deadliest foes of the republic. The republic is attacked by a conspiracy of slaveholders; to propose to take the slaves from these traitors, without whose labor the rebellion could not exist six months, is denounced as an act of hostility to the republic. This is queer logic.

Judge Vilas and Mr. Sloan.

We find the following in the Madison Journal:

MESSRS. EDITORS:—On my return home, last evening, I observed in your issue of the 28th inst., copied from the Janesville Gazette, what purports to be a correspondence between I. C. Sloan and myself. I desire to say that a part of the correspondence is suppressed in that publication, as follows:

MADISON, Oct. 27, 1862.

I. C. Sloan, Esq:—
DEAR SIR.—I did not receive yours of the 23d until yesterday, on my return home, after an absence since last Thursday morning. The many conditions attached to your acceptance of my proposal, and the short time intervening before the election, prevents anything being done in the premises. It is, therefore, needless to make an extended reply to the various suggestions in your letter. I assure you that you *entirely* misapprehend the object of the Union movement. Our only objects is to sustain the government and bring to its aid the entire loyal strength of the nation, for the speedy overthrow of the wicked rebellion against the government of our fathers. In great haste, very respectfully,
LEVI B. VILAS.

I submit to the public the dignified propriety of Mr. Sloan, in thrusting into the newspapers a triade of partizan politics in reply to a note merely proposing to address meetings of the people in behalf of the the Union, and Col. Guppy's election, and asking his consent to the proposition. It shows how low a party man, on a narrow party platform, will decend in this trying time of our country. it is very much like the attempt now being made to induce the people to withhold from Col. Guppy their votes, because he has not accepted a nomination on a party platform, and only consents to be the candidate of the whole people on the platform of his country and the Union. In justice to all concerned, I request the Janesville Gazette and other papers which have published a part of the correspondence, to give this a publication in their respective papers.
LEVI B. VILAS.
Madison, Oct. 30th, 1862.

At the time the correspondence between Mr. Vilas and Mr. Sloan was published, Oct. 27th, it was *all* that had passed between them, and there was no "suppression" of any part of it. Mr. Vilas' last "splurge" was made in Madison the day the preceding letters were published here. Fearing a misrepresentation of the character of the correspondence by Judge Vilas, when it would be too late to publish it and thus give its true character, it was published here in season to prevent such a use of it. So much for the "purports" and "suppression."

When Mr. Vilas addressed his first letter to Mr. Sloan he evidently thought he was making a master's stroke. Knowing, if he knows anything, that the proposition to allow him to come into *republican* meetings to advocate the election of the *democratic* candidate, while there was no proposal to allow Mr. Sloan or any other republican to go into a democratic meeting and speak for the republican candidate, was simply a piece of unblushing impudence, he anticipated a refusal from Mr. Sloan, and then a cry was to go through the district that the republican candidate was afraid to discuss the political topics of the day with the friends of Judge Guppy. This was a nice game, and eminently worthy of the "disinterested" Mr. Vilas. But it was spoiled by the reply of Mr. Sloan, as it is no part of the programme in this district to put Judge Guppy on any specific platform. He is to be run among the Ryan address men as one of *their* kind, while the war democrats are to be told to look to his position in the army to satisfy *them.*

A direct answer to the direct questions of Mr. Sloan would remove this mask, and accordingly the virtuous and patriotic Mr. Vilas dodges, attempting to cover his retreat by calling Mr. Sloan hard names and blowing about a "tirade of partisan politics." If Mr. Vilas is not stupid, or so egotistical as to obscure his vision, no one can see the hypocrisy of his pretensions better than himself. What is Judge Guppy but a *politician*, and what is his nomination but a *political* one? His position in the army, (that of *colonel*, which hundreds of good men would consider it a great favor to obtain as a post of distinction and honor,) is simply used as an aid to *political* purposes, and if he had not held that position, none of his now zealous friends would have thought of him in connection with a congressional nomination. Who supposes, for a moment, that the democratic leaders in this district would trust him as their representative if he were not a thorough partisan?

The trouble with Mr. Vilas is, he is not as smart as he thought he was, and he finds Mr. Sloan too much for him.

The democrats in the legislature last winter introduced a bill taxing this railroad property the same as all other property in the state, and requiring all printing done for the state or counties to be done by contract with the lowest bidder.—*Monitor.*

One of the editors of the Gazette is charged with aiding in the defeat of this measure, and the wise Monitor assumes that the republican candidate for senator and representative from this district are pledged against its passage next winter.

There was no such provision in the bill referred to in relation to printing as the Monitor states, and so far as we know there has been no pledges asked for or given in regard to any law of the kind.

The tax bill referred to was concocted by H. L. Palmer, and not only taxed railroads, but changed our *whole system of taxation* in regard to *all* other property. It was delayed in the assembly till there were but two working days of the session left, when the bill containing 231 sections was sent to the senate, of course too late for its action. This was the cause of its defeat. There was not time to read it through in committee of the whole, much less to perfect it by amendments.

This was one of Palmer's tricks. He did not expect it to be passed, but purposely delayed it that he might make political capital by charging its defeat upon the senate.

It was proposed in the senate to strike out all except that part of it taxing railroads, but the *democrats* all voted against this, and together with the railroad interest, were able in this way to prevent the taxing of railroads as other property.

We are in favor of taxing railroads in this way, and have frequently advocated it, and will do so again, when a good bill is proposed which is confined to this subject alone, and does not embrace other irrelevant and unnecessary provisions which have nothing whatever to do with the subject of railroad taxation.

It may also be stated that the defeat of the bill at that time did not affect railroad taxation *this year* as the railroads had already taken out their licenses. Nothing, therefore, was lost, and will not be, if the next legislature does its duty in the premises, as we trust it will.

CONSISTENCY!—There is much force and truth in the following remarks of one of our exchanges—"Take up a tory paper—any one will do—about these days and you are sure to find two things in it. In one column you will find a long article, or a number of articles, complaining of the expenditure of the government, of the burdensome taxation they say is coming. In another you are equally certain to find a defense of some such do nothing, imbecile general as Buell. They complain of taxes, and they support with all the ingenuity they can muster those who are the cause of the taxes! Somebody will please explain how honest and patriotic men can act and write thus. We can understand how Jeff. Davis could do it, and how those who wish success to the confederacy can do it, and we don't believe any other class of persons who know what they are about, can do it."

The Gazette labors to show "from its own books" that our estimate of the amount it has drawn from the county and city for printing and advertising within the past year was too high. We have, of course, no means of getting at the bottom of this matter, other than through such "official" sources as are in its interest. Our opinions are by no means changed by anything the Gazette has stated in relation to the public printing. It admits, substantially, the charge of enormous and unusual expenditures upon that paper, but labors to prove that a large share of the money so applied does not come from the city or county, but "is a charge upon the property" of the tax payers, which is finally reimbursed by the same tax payers with "twenty-five per cent. interest on the money advanced to pay it."—*Monitor.*

This is the reply the Monitor makes to our full and conclusive exposure of its falsehoods last week. Too timid to reiterate those falsehoods, and without the manliness to retract them, it insinuates that the public records have been falsified. This is not very complimentary to Mr. Boss, its candidate for clerk of the court, whom it wishes to entrust with the records of the circuit court, and who has now in charge the city records. Its *sneaking* retreat is as discreditable as its malicious and false attack.

JUDGE DOOLITTLE'S SPEECH.—The court room was full to overflowing last night to hear Judge Doolittle speak. His remarks were interesting and eloquent, and the large audience manifested their appreciation of the address by loud applause at its close. He took strong ground in favor of the President's proclamation and an earnest support of the government in the prosecution of the war.

☞ The Monitor devotes a large share of its columns to the Gazette. Notwithstanding such a tremendous broadside, we still live.

Here is a specimen of one of the "born patricians" of the south, as a notorious literary Yankee calls them: An old wretch came within the Union lines at Newbern a few days ago, looking for an escaped slave, a handsome girl of sixteen years. Finding that a master's claim was not recognized, the pitiful old villain insisted upon claiming her by right of being her father! Oh, the chivalry!

BY WISCONSIN STATE TELEGRAPH LINE, Office in Union Passenger Depot

Last Night's Report.

NEW YORK, Oct. 30.

Another important blow at the slave trade was dealt yesterday, in the United States circuit court in this city, in the conviction of Albert Horn for fitting out the steamer City of Norfolk for this traffic.

The British steamer Wachutta, Captain Gilpin, was brought into Port Royal last Thursday, a prize to the gunboat Memphis, Commander Wartmaugh. She was captured, after a full day's chase, off the coast of North Carolina. She threw overboard the greater part of her cargo, and so strained her engines as to be unable to make steam. She is believed to have been loaded with arms and ammunition. The Wachutta is an iron steamer, built in London, and will prove a valuable prize.

WASHINGTON, Oct. 30.

Special to Chicago Tribune.—The President assigns Judge David Davis of Bloomington, Ill., to the 8th judicial circuit, Judge Swayne to the 7th, and Judge Miller to the 9th.

Gen. Wool defends his recent arrest in Baltimore on the ground that the arrested persons were circulating a petition for his removal among the soldiers under him, a proceeding contrary to all military rules.

The assistant secretary of the treasury states that the principal of the loan of 1862, due in December next, will probably be paid in legal currency. The interest accrued to that time will be paid in gold. Under the impression that the principal was to be paid in gold, there has been quite a speculation in 1862 sixes.

There are misapprehensions in the public mind touching the use of stamps before the first of January. I learn from the commissioner of internal revenue that it is his intention to enforce penalties for the non-use of those furnished, after a reasonable time for their distribution.

Gen. Asboth has received private letters from Paris confirmatory of reports that Napoleon means to send troops enough to Mexico to bring the whole number up to 100,000, and then make that country the base of operations against the United States, if peace be not made with the rebels.

Other private authorities are of the same general tenor, but these are not confirmed by official information.

Secretary Chase told a number of gentlemen who called on him this morning, that his only apprehensions touching financial matters were born of his fears that the war might not be prosecuted with vigor, and that on this point he had much more hope of late. Had the war been waged according to his wishes, two objects very dear to the western people would have been accomplished before now.

No official report has yet been received of Gen. Mitchell's unsuccessful expedition to cut the Charleston railroad.

Bids for mules for the army were opened to-day. Fifteen hundred were awarded to a bidder here at $97 to $98, and 500 to Brown & Co., at Louisville, at $98.

Mrs. Turner and Miss Buckner, of first Virginia families, with Buck Bailey, believed to be a spy, were arrested to-day while journeying towards their home near Salem, with two wagons full of supplies of various kinds, and $650 worth of quinine, of which 300 *ounces* were in the young lady's double necked bustles.

They were armed with certificates of loyalty from a member of the cabinet, and with protection and passes from a major general. Bailey and the young lady were sent to the old capitol prison. The old lady, in consideration of her age, was lodged with the cabinet minister.

BOSTON, Oct. 30.

Deputy Sheriff Bailey proceeded to Fort Warren to day in a sloop, failing to get a pass to go in the regular steamer, to serve a writ of habeas corpus granted by Judge Clifford of the United States circuit court, in the case of Mr. W. H. Winder.

The deputy sheriff was not allowed to land by the military commandant at Fort Warren, and consequently returned to the city this afternoon. He reported to Judge Clifford that his attempt to serve the writ was unsuccessful, when the court remarked that it had no means to enforce the writ.—The court then ordered the papers to be placed on file.

BALTIMORE, Oct. 30

In the 28th New York congressional district, the Hon. Alfred Ely, esq., candidate for congress, withdraws in favor of Freeman Clark. The Union vote of the district is united on Mr. Clark.

WASHINGTON, Oct. 30.

Gen. Hooker to-day very narrowly escaped being killed at Willard's Hotel. The general had come into town to communicate with the war department, and was in the room of Senator McDougall, when a gentleman, who was also present exhibiting to them an improved carbine, fired it accidentally, and the charge passing between the two gentlemen, shattered the wall behind them.

ST. LOUIS, Oct. 30.

Special to Chicago Times.—The Germans have invited delegations from Belleville, Mascoutah, Alton and other Illinois towns, to come over and participate in the Fremont demonstration. He is to be presented with a jeweled sword, with gold scabbard, costing over $1200.

The number of federal troops in Missouri, Kansas and northwestern Arkansas is 75,000. The number subject to duty in Gen. Schofield's field of operations is 60,000. The Kansas army, under Salomon and Blunt, numbering 15,000, is in Missouri, and, inasmuch as they have been useless to government so far, it is hoped they will be sent to Arkansas and do some service.

LOUISVILLE, Oct. 30.

Special to Chicago Evening Journal.—Gen. Rosecrans and staff arrived this morning and are at the Galt House. He takes command to-morrow. Gen. Buell goes to Annapolis, Md. Col. Scott, of the 19th Illinois, has been assigned a temporary command of a brigade in Dumont's corps.—Lieuts. Wharton and Bangs are on his staff—all Chicago Zouaves.

The guerrilla Morgan is believed to have left the state. The campaign in Kentucky has been a success. No armed rebels, except roving bands of illegitimate guerillas, are now in the state.

By order of Gen. Boyle, Dr. Head, medical director, has taken for hospital purposes several mansions of rebels in this city.

CAIRO, Oct. 30.

Nelson, of Tennessee, is out in another letter, in which he denounces the proclamation of the President as a document that Haynau himself would be ashamed of.

Gen. Magruder has been sent to the department comprising Texas, Arizona and New Mexico.

The Columbus (Ga.) Times of the 17th, says Gen. Butler and 7,000 men had landed at Pensacola, and it was thought that an early advance would be made on the junction of the Mobile, Montgomery and Pensacola railroad.

Gen. Pemberton, the new commander of Mississippi, led the federal troops through Baltimore when they were stoned and shot down by the populace. He resigned at Washington, went south, and was warmly received by Jeff Davis. He is said to be over-cautious.

Jeff Thompson is now in Richmond. Price reviewed his troops at Holly Springs on Friday, and started north with them on Saturday.

Gen. Hindman is now confined in a military prison at Little Rock. He will be sent to Richmond for trial.

Albert Pike writes a long indictment against him, occupying three columns of the Arkansas Patriot.

Gen. Holmes' headquarters are at Yellville, Marion county, near the Missouri line. Two weeks ago he had about 20,000 men, mostly conscripts. People in the vicinity of Little Rock are represented as having a hard time to get anything to eat. Bacon is forty cents per pound, and flour not to be had at any price.

Gen. Hindman was detected by Bragg at Corinth in signing his (Bragg's) name to orders he never issued, and sent to Memphis in disgrace. While there he went to the banks in that city, and, under the assumed authority of Gen. Beauregard, made them fork over to him one million of dollars for operations in Arkansas.

After getting into his own state, he issued a series of the most extraordinary military orders. First he declared martial law; next he had all the cotton either seized for the confederate government or burnt; next he ordered that all provisions of whatever kind that were likely to fall into Gen. Curtis' hands be destroyed, and that which the people failed to destroy he destroyed for them; next he issued an order that all the wells in the country that Curtis might pass through should be poisoned; next he refused to let reputable citizens put substitutes into the army; and, finally, he refused to let any good citizen pass beyond the limits of Arkansas, for any purpose whatever.

WASHINGTON, Oct. 30.

The following has been received at headquarters:

ST. LOUIS, Oct. 29.

To Major General Halleck:

The army of the frontier has been again successful. Gen. Schofield's dispatches from Fayetteville, Ark., says that yesterday at daylight, Brigadier General Heron, with the 1st Iowa cavalry, and 7th Missouri cavalry, attacked a rebel camp four miles east of that place. Our force was about 1,000 strong, while the rebel force numbered 3,000, commanded by Col. Cravens. After a short engagement the enemy were entirely routed, leaving all his camping implements and a few wagons. The loss of the enemy is eight dead on the field. Our loss is four wounded, one mortally.

Gen. Heron followed the enemy several miles into Boston Mountains.

[Signed,] S. R. CURTIS,
Major General Commanding.

MORNING DISPATCHES.

WASHINGTON, Oct. 30.

Special to Tribune.—Orders have been issued by the war department to Provost Marshal General Draper, United States Marshal Murray, and General Superintendent Kennedy, of New York, to take measures to prevent men from voting who have claimed exemption from the draft on account of being aliens.

The following is just received from one of our special correspondents with the army:

LOVETTSVILLE, Va., Oct. 29—6 P. M.

The rebels occupy Snycker's Gap in force. Gen. Pleasanton with his cavalry occupies Purcelville. In his skirmish to Snycker's Gap, yesterday, he lost one killed and two wounded. He took ten prisoners, including a lieutenant of the rebel signal corps. The roads are excellent, and the weather pleasant. Our signal corps has established a station and been working, to day, 13 miles beyond our cavalry pickets. Stoneman's cavalry has occupied Leesburg without resistance.

The following has just been received:

FAIRFAX C. H., Oct. 30.

Two scouts from Dumfries, Stafford Spring, Bristow and Bentonville, report no enemy at those places. A rebel patrol was at Bentonville on Sunday last. A contraband from New Baltimore says a cavalry regiment of the enemy reached there yesterday afternoon from Thoroughfare Gap. Intelligence is brought that a force of our cavalry drove in the rebel pickets and advanced upon the Gap, but meeting with a larger force returned. Two negroes have been sent in who are directly from Appleville. Gen. Walker's force is reported to have retreated before the advance of Gens. Pleasanton and Bayard. Walker's force is estimated at 12,000, with a dozen pieces of artillery.

BALTIMORE, Oct. 30.

Special to Times.—The railroad officers here have just received telegraphic advices from Gen. Kelly, that the rebels yesterday completed the destruction of Black Creek bridge, on the Baltimore & Ohio railroad, and there are 120 cavalry at Hedgeville. The bridge is ten miles west of Martinsburg and twenty-four from Hagerstown. The bridge was ninety feet deep and one hundred feet long.

Headquarters Army of Potomac, Oct 30.

Special to Herald.—The enemy, as yet, have not manifested a disposition to attack. Our cavalry are actively and successfully feeling the enemy, and is constantly making captures of men, horses, etc.

The counties of Loudon and Jefferson abound in forage. They evidently have a considerable force at or near Middleburg. It is believed Bragg is on his way from Cumberland Gap to join Lee. Three females who came within our lines yesterday morning report the rebel Gens. Jackson, Hill and Hamton encamped near Martinsburg. Contrabands who have come within our lines on the upper Potomac, report that Jackson and Longstreet were yesterday moving toward Berryville in the direction of Charlestown. The enemy are still thought to be in force immediately in our front.

HARPER'S FERRY, Oct. 30.

It has been ascertained from good authority that Gen. Lee has lately been taking his artillery from the different brigades and divisions and massing it with the reserves. The object is supposed to be to enable him to concentrate it more rapidly at any desired point.

BERLIN, Oct. 30.

A deserter from a South Carolina regiment arrived within our lines who was condemned to be shot, to day, for attempting the same thing some time since. He says that nine are now under sentence of death for straggling while on the march. Rebel citizens in Virginia, in anticipation of a movement of the national troops, are sending all their horses to the rebel army for service, for fear they might fall into our hands. Gen. Pleasanton is now securing all the horses to be found for the use of the army, without reference to the opinions of the owners. It has been definitely ascertained that the main body of the rebels is between Bunker Hill and Winchester.' All quiet at Sharpsburg.

WASHINGTON, Oct. 30.

Gen. Lew. Wallace has been assigned to duty in the department of Tennessee. Contracts for furnishing 2000 mules were awarded to-day, at from $97 to $98.

BALTIMORE, Oct. 30.

The citizens arrested by General Wool, Tuesday, have been unconditionally released by order of the president. Papers seized were also delivered up. The president gave assurance that the matter should be adjusted to the satisfaction of the people of Maryland.

HEADQUARTERS ARMY OF THE POTOMAC, Thursday Evening, Oct. 30.

A force of cavalry belonging to the command of Gen. Kelly, left Cumberland yesterday, making a forced march into Virginia in search of rebel mauraders, who had been committing depredations in that section. They marched all night and came up with them in the morning, capturing 16 prisoners and 20 horses; also 160 head of cattle, which these guerrillas had stolen from the citizens of the adjoining county.

PHILADELPHIA, Oct. 30.

The Washington Star of this evening says that Gen. Burnside has already advanced down along the eastern base of the Blue Ridge, and formed a practicable junction with Gen. Sigel, their lines of pickets joining. 'The withdrawal of Walker's rebel forces from Upperville was doubtless in consequence of the rapidity of Gen. Burnside's movement in that direction. We do not believe he has gone in the direction of Snyckersville, as in that event he would be marching into the jaws of McClellan's army, but rather across the Ridge back of Upperville, over the Alexandria and Winchester turnpike. The rebels continue to occupy the ridge between Harper's Ferry and Winchester, on which Lee posted his army after crossing into Virginia. We believe he is moving as fast as he can, as Burnside and Fitz John Porter have already detected his probable scheme of attempting to surprise Sigel. To cover it promptly he will have to move back toward Richmond.

LOUISVILLE, Oct. 30—Midnight.

The order appropriating the Masonic Temple as a military hospital has been rescinded. Gen. Boyle has ordered all officers to join their respective regiments at once. D. P. Cissell, formerly senator from Union county, has been arrested on charge of disloyalty, and will be sent to Fort Johnson. Gen. Rosecrans responded to a serenade from the band of the 59th Ohio, at the Galt House, thanking the band for the compliment, saying that speech making was not his vocation, that he came here to fight. He hoped we might all meet again when the war was over and live under the old national flag. To attain this end and for justice and right he had taken up arms, and I believe the people agree with me. I again thank you and you must excuse me from a lengthy speech as it is not my vocation.

CLEVELAND, Oct. 31.

A fire at Erie, last night, burnt Marsh, Liddle & McCarter's machine shop, Huverd & Co.'s foundry, and Vincent, S. & Co.'s warehouse. *Loss*—$75,000. Insured in Philadelphia $2,500.

AFTERNOON DISPATCHES.

WASHINGTON, Oct. 31.

Times' Special.—Advices from Fortress Monroe indicate that the rebels are in force and continually increasing at Petersburg. They are commanded by Gen. Longstreet, and are believed to be largely composed of veterans of Lee's army, who remains with a comparatively small force at Winchester, to hold the army of the Potomac in check.

Gen. Dix was here to-day on business of great importance, and left this evening to return to his command.

NEW YORK, Oct. 31.

A letter from below Apallachicola, Oct. 16th, reports that an expedition of boats from the gunboats Sagamore and Ft. Henry went up the river and captured a sloop with 80 bales of cotton, not, however, without a skirmish with the rebels in ambush on shore, in which several of our men were wounded. The rebels had some killed and wounded. The rebel ram Chattahoochie, partly iron clad, is supposed to be about ready for sea, and is expected down as soon as there is seven feet of water at the river's mouth. The gunboat Lanerquit had a boat fired into a Cedar Keys Flat by which several were wounded. The town was subsequently burned.

We have some interesting intelligence from Bermuda to the 21st inst. The action of Rear Admiral Wilkes in closely watching and intercepting the trade of the rebels with England by way of Bermuda, has excited the inhabitants of the island in no small degree against that officer and the Union. Some of the journals officially say that our cruisers have instituted a blockade of the English colonial dependency. The steamers Iago and Somena maintain a vigilant guard of its ports of entry and departure.

The English vessels Abert James and Gladiator were hailed and brought to lately by order of Admiral Wilkes. Her Majesty's steamer Plover, just arrived from Halifax, took off dispatches from the governor of Bermuda to Admiral Wilkes, and the man who acted as pilot to the Union vessels had returned to the shore. Notwithstanding the vigilance of our gunboats, we find that the British steamers Gladiator and Mina, laden with cotton from the south, had run out of the port of Bermuda for England. False signals were thrown out from the shore in order to decoy the Union vessels from their station just as the Mina sailed. They had the effect desired by the English sympathisers with traitors and rebels.

THE FOND DU LAC NEGROES.—The News of this morning copies from the Fond du Lac Reporter a part of an article announcing that a number of negroes had arrived at that place, and then seeks to make political capital out of it by pandering to the prejudices of certain classes.

But with its usual fairness, it omits the conclusion of the Reporter's article, which says that all the best servants of the number that arrived there had been *picked out by democrats*, and set to work in their families.

They were very glad to get the services of the negroes, and then howl because they came there. This case affords a good instance of democratic honesty. Perhaps the News can humbug its readers in that way. If so, we pity them.—*Milwaukee Wisconsin.*

COTTON IN ILLINOIS.—It is estimated that the cotton crop in Illinois this year will amount to 20,000 bales. This is of the upland variety, from seed raised in Tennessee. A correspondent says the quality is excellent, and the quantity per acre, so far as known, exceeds that of the cotton growing districts further south. The uncertainty of procuring seed in the early part of the season prevented many from planting; but the result of this year's experiment is highencouraging. Illinois could grow 500,000 bales profitably.—*Chicago Tribune.*

Capt. Mullen, of the army, has reached New York from Oregon, where he was sent four years ago to construct a wagon road from the navigable waters of the Columbia to the Missouri river. The work is done, and a fine road of 600 miles is in use. He goes at once to Washington to make his official report.

The plot of ground on which John Brown was executed at Charlestown, three years ago, is now planted with corn and cabbage, and Wise's battery of guns, planted near the enclosure, has been succeeded by one of McClellan's.

Over 3000 tons of the spring supplies of merchandise for the Hudson Bay Company have already arrived at St. Paul, to await transportation to Georgetown during the winter, and in the spring be conveyed by steamer to Fort Garry.

Thanksgiving has been appointed in Pennsylvania for November 27th.

Judge Smalley, in a decision made last week in the United States court at Rutland, Vt., fully sustains the right and the action of the President in suspending the writ of habeas corpus, but says that he cannot delegate his power to any one, and therefore an order of the war department cannot effect such suspension.

A STRAW.—In the resolutions passed by the Seymour democrats in New York there is *not one word* of denunciation of the rebellion! Five out of the seven are devoted to an attack upon the president, congress, the republican party, &c., &c. Comment is superfluous.

THE SURRENDER OF HARPER'S FERRY.—General Wool, in denying a statement that he was urgently advised by the war department to abandon Harper's Ferry and concentrate all his forces on the Maryland Heights more than ten days before Harper's Ferry had been invested—Maryland Heights completely commanding Harper's Ferry, and being a thoroughly defensible point, which the latter was not, and that he took the responsibility of believing that the Ferry would not be attacked, and so disregarded the advice, replies as follows:

"There is not one word of truth in the above. Harper's Ferry could have been defended by 10,000 men if rightly directed. Col. Miles surrendered 11,200. The possession of the Maryland Heights by the enemy did not interfere with the defence of Harper's Ferry. They had no guns on the Heights that could do the slightest injury or prevent the defence of the Heights of Harper's Ferry. If Col. Miles had obeyed my orders the Maryland Heights would not have been taken possession of by the rebels."

A BLOODY FIGHT IN THE THIRD WARD.—Last night about 10 or 11 o'clock, John Dolan, the well known contractor, and another Irishman named Jackson Mulhern, got into a fight in a place of considerable resort on the east side of Main street, not far from Erie street. Probably no two men ever got worse handled in a fight, short of killing each other, than these two did. The place was locked up to keep out intruders, and they went at it in regular plug ugly style.

When the policemen arrived there they had exhausted each other and were lying in the blood that had flowed from their bodies. Dolan's face was all covered with blood, and it had been been pounded in a most frightful manner. The other man stabbed in the abdomen, and also in an arm, and again in a shoulder. One of his eye brows was half gouged out. He was taken home and will undoubtedly recover. Dolan was also taken home. No complaint had been entered against them.—*Milwaukee Wisconsin.*

The Mutual Life Insurance Company
OF THE
STATE OF WISCONSIN

Presents advantages in all respects equal, and in some superior, to those of other companies doing business in the northwest. Its rates, its plan of operations, and its basis, are identical with the best companies in this country and Europe. Its age, and consequently its accumulations, are not equal to theirs *in amount*, but in proportion to the age of risks, and amount at risk, they will compare favorably with the most successful.

Its assets, which have resulted solely from their accumulations amount to $115,712.85, and its annual income, from policies now in force, over $85,000.

Its assets and business are constantly increasing. Its losses have been promptly paid. Its trustees are well known, honorable business men, and are as capable of managing an institution of this kind, as men in any other portion of the United States. The experience of the company thus far proves that we can have as reliable companies in the west as any where else, if we will, *and self-interest certainly indicates that we should have them, and build up home interests in every practicable way.* In the above respects, this company claims equality with its co-workers, and in the following superiority: It obtains the greater portion of its business in the healthiest portion of the United States, thus having the advantage of a less per centage of loss; it receives higher rates of interest on its investments, thus making more rapid accumulations—both very important items in Life Insurance; *and its expenses have been less* in proportion to its business than any other new company doing business in the United States.

S. S. DAGGETT, President.
A. W. KELLOGG, Secretary.
H. G. WILSON, General Agent.

The company has a large number of lives insured in Janesville. Applications for insurance received by the agent, Willard Merrill, at his law office in Lappin's block.

Judge Vilas and Mr. Sloan.

We find the following in the Madison Journal:

MESSRS. EDITORS:—On my return home, last evening, I observed in your issue of the 28th inst., copied from the Janesville Gazette, what purports to be a correspondence between I. C. Sloan and myself. I desire to say that a part of the correspondence is suppressed in that publication, as follows:

MADISON, Oct. 27, 1862.

I. C. Sloan, Esq.:—
DEAR SIR:—I did not receive yours of the 23d until yesterday, on my return home, after an absence since last Thursday morning. The many conditions attached to your acceptance of my proposal, and the short time intervening before the election, prevents anything being done in the premises. It is, therefore, needless to make an extended reply to the various suggestions in your letter. I assure you that you *entirely* misapprehend the object of the Union movement. Our only object is to sustain the government and bring to its aid the entire loyal strength of the nation, for the speedy overthrow of the wicked rebellion against the government of our fathers. In great haste, very respectfully,
LEVI B. VILAS.

I submit to the public the dignified propriety of Mr. Sloan, in thrusting into the newspapers a triade of partizan politics in reply to a note merely proposing to address meetings of the people in behalf of the the Union, and Col. Guppy's election, and asking his consent to the proposition. It shows how low a party man, on a narrow party platform, will decend in this trying time of our country. it is very much like the attempt now being made to induce the people to withhold from Col. Guppy their votes, because he has not accepted a nomination on a party platform, and only consents to be the candidate of the whole people on the platform of his country and the Union. In justice to all concerned, I request the Janesville Gazette and other papers which have published a part of the correspondence, to give this a publication in their respective papers.

LEVI B. VILAS.

Madison, Oct. 30th, 1862.

At the time the correspondence between Mr. Vilas and Mr. Sloan was published, Oct. 27th, it was *all* that had passed between them, and there was no "suppression" of any part of it. Mr. Vilas' last "splurge" was made in Madison the day the preceding letters were published here. Fearing a misrepresentation of the character of the correspondence by Judge Vilas, when it would be too late to publish it and thus give its true character, it was published here in season to prevent such a use of it. So much for the "purports" and "suppression."

When Mr. Vilas addressed his first letter to Mr. Sloan he evidently thought he was making a master's stroke. Knowing, if he knows anything, that the proposition to allow him to come into *republican* meetings to advocate the election of the *democratic* candidate, while there was no proposal to allow Mr. Sloan or any other republican to go into a democratic meeting and speak for the republican candidate, was simply a piece of unblushing impudence, he anticipated a refusal from Mr. Sloan, and then a cry was to go through the district that the republican candidate was afraid to discuss the political topics of the day with the friends of Judge Guppy. This was a nice game, and eminently worthy of the "disinterested" Mr. Vilas. But it was spoiled by the reply of Mr. Sloan, as it is no part of the programme in this district to put Judge Guppy on any specific platform. He is to be run among the Ryan address men as one of *their* kind, while the war democrats are to be told to look to his position in the army to satisfy *them.*

A direct answer to the direct questions of Mr. Sloan would remove this mask, and accordingly the virtuous and patriotic Mr. Vilas dodges, attempting to cover his retreat by calling Mr. Sloan hard names and blowing about a "tirade of partisan politics." If Mr. Vilas is not stupid, or so egotistical as to obscure his vision, no one can see the hypocrisy of his pretensions better than himself. What is Judge Guppy but a *politician,* and what is his nomination but a *political* one? His position in the army, (that of *colonel,* which hundreds of good men would consider it a great favor to obtain as a post of distinction and honor,) is simply used as an aid to *political* purposes, and if he had not held that position, none of his now zealous friends would have thought of him in connection with a congressional nomination. Who supposes, for a moment, that the democratic leaders in this district would trust him as their representative if he were not a thorough partisan?

The trouble with Mr. Vilas is, he is not as smart as he thought he was, and he finds Mr. Sloan too much for him.

The democrats in the legislature last winter introduced a bill taxing this railroad property the same as all other property in the state, and requiring all printing done for the state or counties to be done by contract with the lowest bidder.—*Monitor.*

One of the editors of the Gazette is charged with aiding in the defeat of this measure, and the wise Monitor assumes that the republican candidate for senator and representative from this district are pledged against its passage next winter.

There was no such provision in the bill referred to in relation to printing as the Monitor states, and so far as we know there has been no pledges asked for or given in regard to any law of the kind.

The tax bill referred to was concocted by H. L. Palmer, and not only taxed railroads, but changed our *whole system of taxation* in regard to *all* other property. It was delayed in the assembly till there were but two working days of the session left, when the bill containing 234 sections was sent to the senate, of course too late for its action. This was the cause of its defeat. There was not time to read it through in committee of the whole, much less to perfect it by amendments.

This was one of Palmer's tricks. He did not expect it to be passed, but purposely delayed it that he might make political capital by charging its defeat upon the senate.

It was proposed in the senate to strike out all except that part of it taxing railroads, but the *democrats* all voted against this, and together with the railroad interest, were able in this way to prevent the taxing of railroads as other property.

We are in favor of taxing railroads in this way, and have frequently advocated it, and will do so again, when a good bill is proposed which is confined to this subject alone, and does not embrace other irrelevent and unnecessary provisions which have nothing whatever to do with the subject of railroad taxation.

It may also be stated that the defeat of the bill at that time did not affect railroad taxation *this year* as the railroads had already taken out their licenses. Nothing, therefore, was lost, and will not be, if the next legislature does its duty in the premises, as we trust it will.

CONSISTENCY!—There is much force and truth in the following remarks of one of our exchanges—"Take up a tory paper—any one will do—about these days and you are sure to find two things in it. In one column you will find a long article, or a number of articles, complaining of the expenditure of the government, of the burdensome taxation they say is coming. In another you are equally certain to find a defense of some such do nothing, imbecile general as Buell. They complain of taxes, and they support with all the ingenuity they can muster those who are the cause of the taxes! Somebody will please explain how honest and patriotic men can act and write thus. We can understand how Jeff. Davis could do it, and how those who wish success to the confederacy can do it, and we don't believe any other class of persons who know what they are about, can do it."

The Gazette labors to show "from its own books" that our estimate of the amount it has drawn from the county and city for printing and advertising within the past year was too high. We have, of course, no means of getting at the bottom of this matter, other than through such "official" sources as are in its interest. Our opinions are by no means changed by anything the Gazette has stated in relation to the public printing. It admits, substantially, the charge of enormous and unusual expenditures upon that paper, but labors to prove that a large share of the money so applied does not come from the city or county, but "is a charge upon the property" of the tax payers, which is finally reimbursed by the same tax payers with "twenty-five per cent. interest on the money advanced to pay it."—*Monitor.*

This is the reply the Monitor makes to our full and conclusive exposure of its falsehoods last week. Too timid to reiterate those falsehoods, and without the manliness to retract them, it insinuates that the public records have been falsified. This is not very complimentary to Mr. Boss, its candidate for clerk of the court, whom it wishes to entrust with the records of the circuit court, and who has now in charge the city records. Its *sneaking* retreat is as discreditable as its malicious and false attack.

JUDGE DOOLITTLE'S SPEECH.—The court room was full to overflowing last night to hear Judge Doolittle speak. His remarks were interesting and eloquent, and the large audience manifested their appreciation of the address by loud applause at its close. He took strong ground in favor of the President's proclamation and an earnest support of the government in the prosecution of the war.

☞ The Monitor devotes a large share of its columns to the Gazette. Notwithstanding such a tremendous broadside, we still live.

Here is a specimen of one of the "born patricians" of the south, as a notorious literary Yankee calls them: An old wretch came within the Union lines at Newbern a few days ago, looking for an escaped slave, a handsome girl of sixteen years. Finding that a master's claim was not recognized, the pitiful old villain insisted upon claiming her by right of being her father! Oh, the chivalry!

Last Night's Report.

NEW YORK, Oct. 30.

Another important blow at the slave trade was dealt yesterday, in the United States circuit court in this city, in the conviction of Albert Horn for fitting out the steamer City of Norfolk for this traffic.

The British steamer Wachutta, Captain Gilpin, was brought into Port Royal last Thursday, a prize to the gunboat Memphis, Commander Wartmaugh. She was captured, after a full day's chase, off the coast of North Carolina. She threw overboard the greater part of her cargo, and so strained her engines as to be unable to make steam. She is believed to have been loaded with arms and ammunition. The Wachutta is an iron steamer, built in London, and will prove a valuable prize.

WASHINGTON, Oct. 30.

Special to Chicago Tribune.—The President assigns Judge David Davis of Bloomington, Ill., to the 8th judicial circuit, Judge Swayne to the 7th, and Judge Miller to the 9th.

Gen. Wool defends his recent arrest in Baltimore on the ground that the arrested persons were circulating a petition for his removal among the soldiers under him, a proceeding contrary to all military rules.

The assistant secretary of the treasury states that the principal of the loan of 1862, due in December next, will probably be paid in legal currency. The interest accrued to that time will be paid in gold. Under the impression that the principal was to be paid in gold, there has been quite a speculation in 1862 sixes.

There are misapprehensions in the public mind touching the use of stamps before the first of January. I learn from the commissioner of internal revenue that it is his intention to enforce penalties for the non-use of those furnished, after a reasonable time for their distribution.

Gen. Asboth has received private letters from Paris confirmatory of reports that Napoleon means to send troops enough to Mexico to bring the whole number up to 100,000, and then make that country the base of operations against the United States, if peace be not made with the rebels.

Other private authorities are of the same general tenor, but these are not confirmed by official information.

Secretary Chase told a number of gentlemen who called on him this morning, that his only apprehensions touching financial matters were born of his fears that the war might not be prosecuted with vigor, and that on this point he had much more hope of late. Had the war been waged according to his wishes, two objects very dear to the western people would have been accomplished before now.

No official report has yet been received of Gen. Mitchell's unsuccessful expedition to cut the Charleston railroad.

Bids for mules for the army were opened to-day. Fifteen hundred were awarded to a bidder here at $97 to $98, and 500 to Brown & Co., at Louisville, at $98.

Mrs. Turner and Miss Buckner, of first Virginia families, with Buck Bailey, believed to be a spy, were arrested to-day while journeying towards their home near Salem, with two wagons full of supplies of various kinds, and $650 worth of quinine, of which 300 *ounces* were in the young lady's double necked bustles.

They were armed with certificates of loyalty from a member of the cabinet, and with protection and passes from a major general. Bailey and the young lady were sent to the old capitol prison. The old lady, in consideration of her age, was lodged with the cabinet minister.

BOSTON, Oct. 30.

Deputy Sheriff Bailey proceeded to Fort Warren to-day in a sloop, failing to get a pass to go in the regular steamer, to serve a writ of habeas corpus granted by Judge Clifford of the United States circuit court, in the case of Mr. W. H. Winder.

The deputy sheriff was not allowed to land by the military commandant at Fort Warren, and consequently returned to the city this afternoon. He reported to Judge Clifford that his attempt to serve the writ was unsuccessful, when the court remarked that it had no means to enforce the writ.—The court then ordered the papers to be placed on file.

BALTIMORE, Oct. 30

In the 28th New York congressional district, the Hon. Alfred Ely, esq., candidate for congress, withdraws in favor of Freeman Clark. The Union vote of the district is united on Mr. Clark.

WASHINGTON, Oct. 30.

Gen. Hooker to-day very narrowly escaped being killed at Willard's Hotel. The general had come into town to communicate with the war department, and was in the room of Senator McDougall, when a gentleman, who was also present exhibiting to them an improved carbine, fired it accidentally, and the charge passing between the two gentlemen, shattered the wall behind them.

ST. LOUIS, Oct. 30.

Special to Chicago Times.—The Germans have invited delegations from Belleville, Mascoutah, Alton and other Illinois towns, to come over and participate in the Fremont demonstration. He is to be presented with a jeweled sword, with gold scabbard, costing over $1200.

The number of federal troops in Missouri, Kansas and northwestern Arkansas is 75,000. The number subject to duty in Gen. Schofield's field of operations is 60,000. The Kansas army, under Salomon and Blunt, numbering 15,000, is in Missouri, and, inasmuch as they have been useless to government so far, it is hoped they will be sent to Arkansas and do some service.

LOUISVILLE, Oct. 30.

Special to Chicago Evening Journal.—Gen. Rosecrans and staff arrived this morning and are at the Galt House. He takes command to-morrow. Gen. Buell goes to Annapolis, Md. Col. Scott, of the 19th Illinois, has been assigned a temporary command of a brigade in Dumont's corps.—Lieuts. Wharton and Bangs are on his staff—all Chicago Zouaves.

The guerrilla Morgan is believed to have left the state. The campaign in Kentucky has been a success. No armed rebels, except roving bands of illegitimate guerillas, are now in the state.

By order of Gen. Boyle, Dr. Head, medical director, has taken for hospital purposes several mansions of rebels in this city.

CAIRO, Oct. 30.

Nelson, of Tennessee, is out in another letter, in which he denounces the proclamation of the President as a document that Haynau himself would be ashamed of.

Gen. Magruder has been sent to the department comprising Texas, Arizona and New Mexico.

The Columbus (Ga.) Times of the 17th, says Gen. Butler and 7,000 men had landed at Pensacola, and it was thought that an early advance would be made on the junction of the Mobile, Montgomery and Pensacola railroad.

Gen. Pemberton, the new commander of Mississippi, led the federal troops through Baltimore when they were stoned and shot down by the populace. He resigned at Washington, went south, and was warmly received by Jeff Davis. He is said to be over-cautious.

Jeff Thompson is now in Richmond. Price reviewed his troops at Holly Springs on Friday, and started north with them on Saturday.

Gen. Hindman is now confined in a military prison at Little Rock. He will be sent to Richmond for trial.

Albert Pike writes a long indictment against him, occupying three columns of the Arkansas Patriot.

Gen. Holmes' headquarters are at Yellville, Marion county, near the Missouri line. Two weeks ago he had about 20,000 men, mostly conscripts. People in the vicinity of Little Rock are represented as having a hard time to get anything to eat. Bacon is forty cents per pound, and flour not to be had at any price.

Gen. Hindman was detected by Bragg at Corinth in signing his (Bragg's) name to orders he never issued, and sent to Memphis in disgrace. While there he went to the banks in that city, and, under the assumed authority of Gen. Beauregard, made them fork over to him one million of dollars for operations in Arkansas.

After getting into his own state, he issued a series of the most extraordinary military orders. First he declared martial law; next he had all the cotton either seized for the confederate government or burnt; next he ordered that all provisions of whatever kind that were likely to fall into Gen. Curtis' hands be destroyed, and that which the people failed to destroy he destroyed for them; next he issued an order that all the wells in the country that Curtis might pass through should be poisoned; next he refused to let reputable citizens put substitutes into the army; and, finally, he refused to let any good citizen pass beyond the limits of Arkansas, for any purpose whatever.

WASHINGTON, Oct. 30.

The following has been received at headquarters:

ST. LOUIS, Oct. 29.

To Major General Halleck:

The army of the frontier has been again successful. Gen. Schofield's dispatches from Fayetteville, Ark., says that yesterday at daylight, Brigadier General Heron, with the 1st Iowa cavalry, and 7th Missouri cavalry, attacked a rebel camp four miles east of that place. Our force was about 1,000 strong, while the rebel force numbered 3,000, commanded by Col. Cravens. After a short engagement the enemy were entirely routed, leaving all his camping implements and a few wagons. The loss of the enemy is eight dead on the field. Our loss is four wounded, one mortally.

Gen. Heron followed the enemy several miles into Boston Mountains.

[Signed,] S. R. CURTIS,
Major General Commanding.

To-Day's Report.

[Reported Exclusively for the Daily Gazette.]

MORNING DISPATCHES.

WASHINGTON, Oct. 30.

Special to Tribune.—Orders have been issued by the war department to Provost Marshal General Draper, United States Marshal Murray, and General Superintendent Kennedy, of New York, to take measures to prevent men from voting who have claimed exemption from the draft on account of being aliens.

The following is just received from one of our special correspondents with the army:

LOVETTSVILLE, Va., Oct. 29—6 P. M.

The rebels occupy Snycker's Gap in force. Gen. Pleasanton with his cavalry occupies Purcelville. In his skirmish to Snycker's Gap, yesterday, he lost one killed and two wounded. He took ten prisoners, including a lieutenant of the rebel signal corps. The roads are excellent, and the weather pleasant. Our signal corps has established a station and been working, to day, 13 miles beyond our cavalry pickets. Stoneman's cavalry has occupied Leesburg without resistance.

The following has just been received:

FAIRFAX C. H., Oct. 30.

Two scouts from Dumfries, Stafford Spring, Bristow and Bentonville, report no enemy at those places. A rebel patrol was at Bentonville on Sunday last. A contraband from New Baltimore says a cavalry regiment of the enemy reached there yesterday afternoon from Thoroughfare Gap. Intelligence is brought that a force of our cavalry drove in the rebel pickets and advanced upon the Gap, but meeting with a larger force returned. Two negroes have been sent in who are directly from Appleville. Gen. Walker's force is reported to have retreated before the advance of Gens. Pleasanton and Bayard. Walker's force is estimated at 12,000, with a dozen pieces of artillery.

BALTIMORE, Oct. 30.

Special to Times.—The railroad officers here have just received telegraphic advices from Gen. Kelly, that the rebels yesterday completed the destruction of Black Creek bridge, on the Baltimore & Ohio railroad, and there are 120 cavalry at Hedgeville. The bridge is ten miles west of Martinsburg and twenty-four from Hagerstown. The bridge was ninety feet deep and one hundred feet long.

Headquarters Army of Potomac, Oct. 30.

Special to Herald.—The enemy, as yet, have not manifested a disposition to attack. Our cavalry are actively and successfully feeling the enemy, and is constantly making captures of men, horses, etc.

The counties of Loudon and Jefferson abound in forage. They evidently have a considerable force at or near Middleburg. It is believed Bragg is on his way from Cumberland Gap to join Lee. Three females who came within our lines yesterday morning report the rebel Gens. Jackson, Hill and Hamton encamped near Martinsburg. Contrabands who have come within our lines on the upper Potomac, report that Jackson and Longstreet were yesterday moving toward Berryville in the direction of Charlestown. The enemy are still thought to be in force immediately in our front.

HARPER'S FERRY, Oct. 30.

It has been ascertained from good authority that Gen. Lee has lately been taking his artillery from the different brigades and divisions and massing it with the reserves. The object is supposed to be to enable him to concentrate it more rapidly at any desired point.

BERLIN, Oct. 30.

A deserter from a South Carolina regiment arrived within our lines who was condemned to be shot, to-day, for attempting the same thing some time since. He says that nine are now under sentence of death for straggling while on the march. Rebel citizens in Virginia, in anticipation of a movement of the national troops, are sending all their horses to the rebel army for service, for fear they might fall into our hands. Gen. Pleasanton is now securing all the horses to be found for the use of the army, without reference to the opinions of the owners. It has been definitely ascertained that the main body of the rebels is between Bunker Hill and Winchester. All quiet at Sharpsburg.

WASHINGTON, Oct. 30.

Gen. Lew. Wallace has been assigned to duty in the department of Tennessee. Contracts for furnishing 2000 mules were awarded to-day, at from $97 to $98.

BALTIMORE, Oct. 30.

The citizens arrested by General Wool, Tuesday, have been unconditionally released by order of the president. Papers seized were also delivered up. The president gave assurance that the matter should be adjusted to the satisfaction of the people of Maryland.

HEADQUARTERS ARMY OF THE POTOMAC,
Thursday Evening, Oct. 30.

A force of cavalry belonging to the command of Gen. Kelly, left Cumberland yesterday, making a forced march into Virginia in search of rebel mauraders, who had been committing depredations in that section. They marched all night and came up with them in the morning, capturing 16 prisoners and 20 horses; also 150 head of cattle, which these guerrillas had stolen from the citizens of the adjoining county.

PHILADELPHIA, Oct. 30.

The Washington Star of this evening says that Gen. Burnside has already advanced down along the eastern base of the Blue Ridge, and formed a practicable junction with Gen. Sigel, their lines of pickets joining. The withdrawal of Walker's rebel forces from Upperville was doubtless in consequence of the rapidity of Gen. Burnside's movement in that direction. We do not believe he has gone in the direction of Snyckersville, as in that event he would be marching into the jaws of McClellan's army, but rather across the Ridge back of Upperville, over the Alexandria and Winchester turnpike. The rebels continue to occupy the ridge between Harper's Ferry and Winchester, on which Lee posted his army after crossing into Virginia. We believe he is moving as fast as he can, as Burnside and Fitz John Porter have already detected his probable scheme of attempting to surprise Sigel. To cover it promptly he will have to move back toward Richmond.

LOUISVILLE, Oct. 30—Midnight.

The order appropriating the Masonic Temple as a military hospital has been rescinded. Gen. Boyle has ordered all officers to join their respective regiments at once. D. P. Ciessell, formerly senator from Union county, has been arrested on charge of disloyalty, and will be sent to Fort Johnson. Gen. Rosecrans responded to a serenade from the band of the 59th Ohio, at the Galt House, thanking the band for the compliment, saying that speech making was not his vocation, that he came here to fight. He hoped we might all meet again when the war was over and live under the old national flag. To attain this end and for justice and right he had taken up arms, and I believe the people agree with me. I again thank you and you must excuse me from a lengthy speech as it is not my vocation.

CLEVELAND, Oct. 31.

A fire at Erie, last night, burnt Marsh, Liddle & McCarter's machine shop, Huverd & Co.'s foundry, and Vincent, S. & Co.'s warehouse. Loss—$75,000. Insured in Philadelphia $2,500.

AFTERNOON DISPATCHES.

WASHINGTON, Oct. 31.

Times' Special.—Advices from Fortress Monroe indicate that the rebels are in force and continually increasing at Petersburg. They are commanded by Gen. Longstreet, and are believed to be largely composed of veterans of Lee's army, who remains with a comparatively small force at Winchester, to hold the army of the Potomac in check.

Gen. Dix was here to-day on business of great importance, and left this evening to return to his command.

NEW YORK, Oct. 31.

A letter from below Apallachicola, Oct. 16th, reports that an expedition of boats from the gunboats Sagamore and Ft. Henry went up the river and captured a sloop with 80 bales of cotton, not, however, without a skirmish with the rebels in ambush on shore, in which several of our men were wounded. The rebels had some killed and wounded. The rebel ram Chattahoochie, partly iron clad, is supposed to be about ready for sea, and is expected down as soon as there is seven feet of water at the river's mouth. The gunboat Lanerquit had a boat fired into a Cedar Keys Flat by which several were wounded. The town was subsequently burned.

We have some interesting intelligence from Bermuda to the 21st inst. The action of Rear Admiral Wilkes in closely watching and intercepting the trade of the rebels with England by way of Bermuda, has excited the inhabitants of the island in no small degree against that officer and the Union. Some of the journals officially say that our cruisers have instituted a blockade of the English colonial dependency. The steamers Iago and Somena maintain a vigilant guard of its ports of entry and departure.

The English vessels Abert James and Gladiator were hailed and brought to lately by order of Admiral Wilkes. Her Majesty's steamer Plover, just arrived from Halifax, took off dispatches from the governor of Bermuda to Admiral Wilkes, and the man who acted as pilot to the Union vessels had returned to the shore. Notwithstanding the vigilance of our gunboats, we find that the British steamers Gladiator and Mina, laden with cotton from the south, had run out of the port of Bermuda for England. False signals were thrown out from the shore in order to decoy the Union vessels from their station just as the Mina sailed. They had the effect desired by the English sympathisers with traitors and rebels.

THE FOND DU LAC NEGROES.—The News of this morning copies from the Fond du Lac Reporter a part of an article announcing that a number of negroes had arrived at that place, and then seeks to make political capital out of it by pandering to the prejudices of certain classes.

But with its usual fairness, it omits the conclusion of the Reporter's article, which says that all the best servants of the number that arrived there had been *picked out by democrats,* and set to work in their families.

They were very glad to get the services of the negroes, and then howl because they came there. This case affords a good instance of democratic honesty. Perhaps the News can humbug its readers in that way. If so, we pity them.—*Milwaukee Wisconsin.*

COTTON IN ILLINOIS.—It is estimated that the cotton crop in Illinois this year will amount to 20,000 bales. This is of the upland variety, from seed raised in Tennessee. A correspondent says the quality is excellent, and the quantity per acre, so far as known, exceeds that of the cotton growing districts further south. The uncertainty of procuring seed in the early part of the season prevented many from planting; but the result of this year's experiment is high-encouraging. Illinois could grow 500,000 bales profitably.—*Chicago Tribune.*

Capt. Mullen, of the army, has reached New York from Oregon, where he was sent four years ago to construct a wagon road from the navigable waters of the Columbia to the Missouri river. The work is done, and a fine road of 600 miles is in use. He goes at once to Washington to make his official report.

The plot of ground on which John Brown was executed at Charlestown, three years ago, is now planted with corn and cabbage, and Wise's battery of guns, planted near the enclosure, has been succeeded by one of McClellan's.

Over 3000 tons of the spring supplies of merchandise for the Hudson Bay Company have already arrived at St. Paul, to await transportation to Georgetown during the winter, and in the spring be conveyed by steamer to Fort Garry.

Thanksgiving has been appointed in Pennsylvania for November 27th.

Judge Smalley, in a decision made last week in the United States court at Rutland, Vt., fully sustains the right and the action of the President in suspending the writ of habeas corpus, but says that he cannot delegate his power to any one, and therefore an order of the war department cannot effect such suspension.

A STRAW.—In the resolutions passed by the Seymour democrats in New York there is *not one word* of denunciation of the rebellion! Five out of the seven are devoted to an attack upon the president, congress, the republican party, &c., &c. Comment is superfluous.

THE SURRENDER OF HARPER'S FERRY.—General Wool, in denying a statement that he was urgently advised by the war department to abandon Harper's Ferry and concentrate all his forces on the Maryland Heights more than ten days before Harper's Ferry had been invested—Maryland Heights completely commanding Harper's Ferry, and being a thoroughly defensible point, which the latter was not, and that he took the responsibility of believing that the Ferry would not be attacked, and so disregarded the advice, replies as follows:

"There is not one word of truth in the above. Harper's Ferry could have been defended by 10,000 men if rightly directed. Col. Miles surrendered 11,200. The possession of the Maryland Heights by the enemy did not interfere with the defence of Harper's Ferry. They had no guns on the Heights that could do the slightest injury or prevent the defence of the Heights of Harper's Ferry. If Col. Miles had obeyed my orders the Maryland Heights would not have been taken possession of by the rebels."

A BLOODY FIGHT IN THE THIRD WARD.—Last night about 10 or 11 o'clock, John Dolan, the well known contractor, and another Irishman named Jackson Mulhern, got into a fight in a place of considerable resort on the east side of Main street, not far from Erie street. Probably no two men ever got worse handled in a fight, short of killing each other, than these two did. The place was locked up to keep out intruders, and they went at it in regular plug ugly style.

When the policemen arrived there they had exhausted each other and were lying in the blood that had flowed from their bodies. Dolan's face was all covered with blood, and it had been been pounded in a most frightful manner. The other man stabbed in the abdomen, and also in an arm, and again in a shoulder. One of his eye-brows was half gouged out. He was taken home and will undoubtedly recover. Dolan was also taken home. No complaint had been entered against them.—*Milwaukee Wisconsin.*

The Mutual Life Insurance Company
OF THE
STATE OF WISCONSIN

Presents advantages in all respects equal, and in some superior, to those of other companies doing business in the northwest. Its rates, its plan of operations, and its basis, are identical with the best companies in this country and Europe. Its age, and consequently its accumulations, are not equal to theirs *in amount,* but in proportion to the age of risks, and amount at risk, they will compare favorably with the most successful.

Its assets, which have resulted solely from their accumulations amount to $115,712.85, and its annual income, from policies now in force, over $85,000.

Its assets and business are constantly increasing. Its losses have been promptly paid. Its trustees are well known, honorable business men, and are as capable of managing an institution of this kind, as men in any other portion of the United States. The experience of the company thus far proves that we can have as reliable companies in the west as any where else, if we will, *and self-interest certainly indicates that we should have them, and build up home interests in every practicable way.* In the above respects, this company claims equality with its co-workers, and in the following superiority: It obtains the greater portion of its business in the healthiest portion of the United States, thus having the advantage of a less per centage of loss; it receives higher rates of interest on its investments, thus making more rapid accumulations—both very important items in Life Insurance; *and its expenses have been less* in proportion to its business than any other new company doing business in the United States.

S. S. DAGGETT, President.
A. W. KELLOGG, Secretary.
H. G. WILSON, General Agent.

The company has a large number of lives insured in Janesville. Applications for insurance received by the agent, Willard Merrill, at his law office in Lappin's block.

City Taxes.

We are requested by Mr. Foord, the city treasurer, to call attention to the fact that the time for the payment of taxes expires on the 12th day of November. There can be no extension, and after that time costs and penalties will be added. Ordinarily the tax warrant has got into the hands of the treasurer the last of August. This year it was the 22d of October when he got possession of it.

We state on our own authority that the best way we can think of to prevent a large advertising bill, which so much distresses the Monitor, and which is enriching the odious Gazette, is pay up the taxes and thereby prevent the advertising; and sale of the lands on which the tax is levied. Tax payers have, in this way, an effectual mode of preventing a bill for advertising fees, and keeping either the Gazette or Monitor from reaping any benefit from the publication of the delinquent list, and we should be especially gratified to see some of the men who are complaining about large advertising bills adopt this mode of retaliation. "*So hurry up your cakes.*"

P. S. The grumblers whose names never appear on the assessment roll, and never pay any taxes whatever, of course have no cakes to hurry up.

Aid Desired for the Hospital at Racine.

Having just visited the camp of 33d regiment, and learned while at the hospital that the appeal of the hospital steward some days since, for the jellies, had not been responded to by the ladies of Janesville, and as I looked upon the faces of those young men, worthy to be the sons of Janesville's noblest mothers, their forms prostrate with disease, and no mother's or sister's hand to minister to their wants, with no jellies or dried fruit in the hands of their faithful steward to mix with the waters, and knowing that they were soon going to a region of country where the water is so bad that it sickens the soldiers when able to be about their daily duties, I felt a sorrow that went beyond my heart to my shelves, on which were placed the fruits and jellies that I had prepared for the soldiers from my loved home circle, and I determined that I would come home and make and appeal to our mothers and sisters, and if they did not respond, the hospital should have my little at least.

They want these articles to take with them, and they leave the first of next week. Will you, my sisters, do what you can, and at once? Please send them to my house on Friday evening or Saturday morning, and I will take them as I go to bid my husband "farewell."

MRS. IRA MILTIMORE.

DR. PEASE.—It may not be uninteresting to the readers of the Gazette to learn that Dr. C. G. Pease, of this city, surgeon of the 2d Wisconsin cavalry, has been appointed post surgeon at Helena, Arkansas.

During the past summer Dr. Pease has been in southwest Missouri with the first battallion of the 2d Wisconsin cavalry, which battallion has constituted General Brown's body-guard. Being ordered to report to Gen. Washburne at Helena, he left Springfield about the middle of September, and soon after received the appointment which he now holds. In writing to friends he says:

"There are no longer any brigade surgeons *as such*; they are *chief*, or post surgeons. The position of post surgeon at this place is a very important one. The accommodations are such that two hundred patients can be comfortably cared for, and three hundred have been attended here. Helena is a beautiful city, and with care may be made a healthy place. I am happy to say that the health of our camp is improving. With kind regards to my friends at Janesville, I am truly yours,

C. G. PEASE."

A NEW RELIGIOUS PAPER.—A new religious paper is about to be started in Milwaukee, under the auspices of the Congregational Church. The name has not yet been decided upon, but it will probably be called either the Wisconsin Record, or the Wisconsin Puritan. It will be the organ of the churched named, for this state, and will be published monthly the first year, at fifty cents a year. A committee of clergymen from the state at large has been appointed to edit and take charge of the paper, but being published in Milwaukee, the editorial management will principally devolve upon Rev. Mr. Helmer and Rev. Mr. Love, who are members of the general committee. The first number will appear soon.

MEETING IN LIMA.—There was a rousing meeting in Lima last night, the house was full, and the right spirit was aroused. Messrs. Gibbs and Putnam of this city made good speeches, which were well received. Mr. Edward Vincent was present, giving his approval and support. There is no use in the presistent efforts to detach Mr. Vincent from the republican party, or get him to accept an independent nomination. He is too true for any such operation, and the men who are annoying him with their applications and propositions may as well save their breath and labor. Mr. Vincent sustains the regular republican nominations, and the *whole* of them with all his energy and power.

FOUND.—The belt advertised a few days since, has been left at this office for the owner.

MABIE'S SHOW.—The high wind to-day prevented the erection of the tent in season for an afternoon exhibition, but everything is in order for this evening. This collection of animals is one of the best in the Union, and the other entertainments have met unqualified approval. With a pleasant evening in prospect, the tent will be crowded.

GERMAN SERVICE IN CHRIST CHURCH.—There will be service and preaching in the German language in Christ Church at 3 o'clock p. m. to-morrow, (Saturday,) also on Sunday at 3½ o'clock p. m. Germans are cordially invited to attend these services. Rev. F. Von Schmidt, from Milwaukee, will officiate.

LARGE YIELD.—J. V. Billings, of the town of Turtle, has thrashed 132 bushels of wheat from the growth of four acres.

AN ITEM OF HISTORY.—We shall review to-morrow Mr. Winans' history of the printing matter in the common council.

A VALUABLE ACQUISITION.—The removal of Mr. Pilcher to this city is a valuable acquisition to the city. It will be seen that he is endorsed by the Rev. Mr. Spaulding as an excellent workman, and recommended to those who need his services in any branch of his business.

OWNER WANTED.—An overcoat was left in my yard last Tuesday night. The owner can have it by proving property.

THE GREAT SALE!

OF

McKey & Bro's

MAMMOTH STOCK

HAS COMMENCED.

THE Largest Stock ever offered in Wisconsin can now be inspected at their store.

A GREAT TRIUMPH

has recently been achieved by

THE UNION ARMY,

the importance of which to the whole country is admitted by every loyal man. A great Triumph has also been achieved by

McKEY & BRO.

the results of which are not without their importance to the whole people of Wisconsin, as they must admit upon inspecting our enormous stock, and learning the prices. Five months ago, foreseeing the tremendous advance which has since taken place in the price of

DOMESTIC GOODS,

and believing in the old proverb that "Delays are Dangerous," we took "Time" by the forelock and brought our immense

CASH RESOURCES

to bear on a depreciated market, and as we had lived and prospered amongst the people of Wisconsin, we resolved that they should have the benefit of our long experience and large Cash Capital. We therefore purchased in May and June last over

$100,000 Worth of Domestic Goods,

consisting of 300 bales and cases of Fine Medium and Heavy Bleached and Unbleached Sheetings and Shirting, in all the popular widths and makes.

100 cases Merrimac, Cocheco, American, Sprague and other celebrated brands of Fast Color Calicoes, printed in advance for this fall's trade.

50 cases Cotton Flannel, bleached and unbleached, long thick nap, and made on the heaviest drilling.

30 cases and bales of Denims, in the well known Amoskeag, Hay Maker, Mount Vernon and other superior makes.

25 cases and bales of Shirting Stripes, the heaviest and most durable, such as Amoskeag, York, Westbrook, &c.

20 cases Gingham, in Beverly Lancaster and other heavy and fast color makes.

300 bales of Batting, low, medium and Fine.

We have a Monster stock of Flannels of every make, color, quality and width. All our White Flannels are of the highly prized make of Samuel Gilbert, Andover, Mass. They are warranted pure wool and sulphur, stove dried which imparts to them their well known *medicinal* qualities, and makes them sought after by every New England housewife.

Bargains for Cash.

We shall sell a good Madder Print for 10c. A full Madder Print for one shilling, and all our best and choicest styles for 15c.

We shall sell a good unbleached Factory for one shilling, and a good bleached Factory for the same price.

Choice printed and plain DeLaines, worth 20c, at one shilling. If asked how we can afford to do so, we answer "cash" does it.

So much for our Domestic Goods, which have been laid in at a cost of fifty cents on the dollar of what other merchants have since been obliged to pay for them.

We have just received 20 cases of *new and choice styles* of Hamilton, Manchester and Pacific DeLaines, which we shall sell at Cost.

Also 25 pieces of Middlesex, all wool, pressed Flannels, in choice shades, and which we offer at the old price

Our Stock of Black Silks

is full and complete, and was bought when prices were at the bottom—before the tremendous advance in exchange took place.

We have now on hand a magnificent stock of

DRESS GOODS,

consisting of Double Twilled all wool Merinos, printed and plain; English Merinos, printed and plain; French and English Repps and Velours, printed and plain; Tasmania Cloths, Ottomans, Palestrine, Garibaldis, &c. Also 200 pieces all wool and Union Plaid Merinos.

SHAWLS AND CLOAKS.

We have over 3 000 superior all wool heavy Blanket Shawls—bought cheap, and which we shall sell cheap. Our Cloak stock is replete with all the *New and Desirable styles.*

MILLINERY GOODS.

We are now opening our usual fall and winter stock of French Millinery Goods, which will be found to contain all the new and fashionable styles.

In Boots, Shoes and Rubbers

we are largely and well assorted.

Our Clothing Store

will be found to contain every thing that is new, elegant and economical, consisting of

Coats, Vests and Pants,

got up under the supervision of our own experienced cutter, together with a fine assortment of

HATS, CAPS, CLOTHS, CASSIMERES, VESTINGS, &c., &c.

In conclusion we would advise the public not to be attracted by those who show false colors or get up "clap trap" advertisements, but to come at once and inspect our stock, which is larger than all other stocks in Janesville put together, and which will be sold at less than present New York nett cash prices, at the store of McKEY & BRO.

JUSTICES BLANKS FOR SALE.

S.-T.-1860-X.

The language of nature and experience demonstrates that whoever would enjoy the pleasures of food—the beauties of landscapes—the joys of companionship,—richness of literature—or the honors of station and renown—*must preserve their health.*

The stomach is the receptacle of all nourishment, and the fountain from which all parts of the body, derive sustenance. The effect of foul injurious food entering the stomach, is to derange the digestive organs, and produce *headache, loss of appetite, unrefreshed sleep incapacity to perform any mental or physical duty, &c*, and are the symptoms of that horrid disease

DYSPEPSIA,

which assumes a thousand shapes, and points towards a *miserable life and premature decay.* The Medical Faculty has labored for generations to discover reliable appetizers and the proper means of overcoming stomachic derangements. Certain ingredients have been long known as partially effective. Among these were

CALISAYA BARK & ST. CROIX RUM.

An invalid physician, sojourning in the tropical island of St. Croix, observing the habits of the natives, gathered the recipe for the final accomplishment of this most important end. The article was first used as a private medicine, when its salutary effects becoming known, it was brought out under the name of

DRAKE'S PLANTATION BITTERS.

They act with unerring power, and are taken with the pleasure of a beverage. They perform most wonderful cures in stubborn cases of Dyspepsia, Liver Complaint, Nervous Affections, Loss of Appetite, Intermittent Fevers, Diarrhoea, Sour Stomach, Headache, Fever and Ague, Weakness, Mental Despondency, &c. *As a morning appetizer and after dinner tonic, they should be in every family. They are a delightful, exhilarating stimulant, without any subsequent reaction.*

IMPORTANT CERTIFICATE.

ROCHESTER, December 28th, 1862.

MESSRS. P. H. DRAKE—

Gentlemen:—I have suffered terribly with Dyspepsia for three or four years, and tried many remedies without effect. I had to abandon my profession, and suffered greatly from everything I ate. I have now tried the Plantation Bitters—they helped me—I continued their use, and am now nearly a well man. I know of several similar cases.

Respectfully yours,
REV. J. S. CATHORN."

S.-T.-1860-X.

Intelligent persons and physicians can judge of the efficacy of the Plantation Bitters from the following partial formula.

CASCARILLA BARK

was known and used in Germany for Dyspepsia, Chronic Diarrhoea, Colic, Dysentery, and diseases of the Stomach and Bowels as early as 1600.

DANDELION,

for Inflammations of the Loins and Spleen in Dropsical Affections and Billiary Secretions, or Obstructions of the Abdominal Viscera.

CALISAYA, OR KING'S BARK,

was unknown to civilization until the middle of the 17th century. Humboldt makes favorable mention of the febrifuge qualities of this article as an Antidote to Fever and Ague, Intermittent and Malarious Fevers, in his extensive South American travels. The countess, wife of the Viceroy of Peru, having experienced the beneficial effects of this Bark, sent it to Europe in 1640. It was sold by the Jesuits for the *enormous sum of its own weight in silver*, and was thus called Jesuits' Powders In 1658, Sir John Talbot employed it with great success in France, in the treatment of Fever and Ague, Dyspepsia, Nervous Affections, Loss of Appetite, Weakness and Debility, Palpitation of the Heart, Diarrhoea, &c, under the name of English Powders and in 1670, he sold the secret of its origin to Louis XIV, by whom it was divulged. It is now a standard remedy in all Pharmacopœia, and is employed in preparing the Plantation Bitters.

Chamomile Flowers, for enfeebled digestion; *Wintergreen*, valuable for Scrofula, Rheumatism and Nefratic Affections; *Lavender Flowers*, aromatic, stimulant and tonic, highly invigorating in Nervous Debility, *Anise*, an aromatic carminative, creating flesh, muscle and milk. Much used in nursing.

S.-T.-1860-X.

Another ingredient of remarkable and wonderful virtue used in the preparation of these Bitters, is a native of Brazil, and as yet unknown to the commerce of the world. A Spanish writer says:

* * * * "administered with St. Croix Rum, never fails to relieve nervous tremor, wakefulness, disturbed sleep, &c, and that it is used with great effect by the Brazilians, Spanish and Peruvian Ladies to heighten their color and beauty It imparts cheerfulness to the disposition, vigor to the appetite and brilliancy to the complexion."

We withhold its name from the public for the present.

To the above are added Clove Buds, Orange, Carraway, Coriander, Snake Root, &c., all preserved in perfectly pure

ST. CROIX RUM.

The tonic properties of St. Croix Rum, and its powerful invigorating effects, have been long known to the physicians of the world.

Billious, Intermittent and Chill Fevers, engendered by the change of water and diet of travelers, particularly upon western rivers, are prevented and cured by the Plantation Bitters. They are also reliable to prevent sea sickness.

WHAT OTHERS SAY.

"PHILADELPHIA, 1st month, 16th day, 1862.

ESTEEMED FRIEND,—Wilt thou send me another dozen of thy Bitters? Nothing has proven so beneficial to my invalid wife or myself, as the Plantation Bit

Thy friend,
ISAAC HOWLAND."

N. B.—The secret of the immense sale of the Plantation Bitters, is their *guaranteed purity.* The St. Croix Rum, and every article used, is warranted perfectly pure, and the money will be returned if not as represented.

The Plantation Bitters are put up in unique quart bottles, and sold by all respectable Druggists, Grocers, Hotels and Resturants throughout the world. Be particular that every bottle bears the *fac simile* of the Proprietor's signature.

City Taxes.

We are requested by Mr. Foord, the city treasurer, to call attention to the fact that the time for the payment of taxes expires on the 12th day of November. There can be no extension, and after that time costs and penalties will be added. Ordinarily the tax warrant has got into the hands of the treasurer the last of August. This year it was the 22d of October when he got possession of it.

We state on our own authority that the best way we can think of to prevent a large advertising bill, which so much distresses the Monitor, and which is enriching the odious Gazette, is pay up the taxes and thereby prevent the advertising and sale of the lands on which the tax is levied. Taxpayers have, in this way, an effectual mode of preventing a bill for advertising fees, and keeping either the Gazette or Monitor from reaping any benefit from the publication of the delinquent list, and we should be especially gratified to see some of the men who are complaining about large advertising bills adopt this mode of retaliation. "*So hurry up your cakes.*"

P. S. The grumblers whose names never appear on the assessment roll, and never pay any taxes whatever, of course have no cakes to hurry up.

Aid Desired for the Hospital at Racine.

Having just visited the camp of 33d regiment, and learned while at the hospital that the appeal of the hospital steward some days since, for the *jellies*, had not been responded to by the ladies of Janesville, and as I looked upon the faces of those young men, worthy to be the sons of Janesville's noblest mothers, their forms prostrate with disease, and no mother's or sister's hand to minister to their wants, with no jellies or dried fruit in the hands of their faithful steward to mix with the waters, and knowing that they were soon going to a region of country where the water is so bad that it sickens the soldiers when able to be about their daily duties, I felt a sorrow that went beyond my heart to my shelves, on which were placed the fruits and jellies that I had prepared for the soldiers from my loved home circle, and I determined that I would come home and make and appeal to our mothers and sisters, and if they did not respond, the hospital should have my little at least.

They want these articles to take with them, and they leave the first of next week. Will you, my sisters, do what you can, and at once? Please send them to my house on Friday evening or Saturday morning, and I will take them as I go to bid my husband "farewell."

MRS. IRA MILTIMORE.

DR. PEASE.—It may not be uninteresting to the readers of the Gazette to learn that Dr. C. G. Pease, of this city, surgeon of the 2d Wisconsin cavalry, has been appointed post surgeon at Helena, Arkansas.

During the past summer Dr. Pease has been in southwest Missouri with the first battallion of the 2d Wisconsin cavalry, which battallion has constituted General Brown's body-guard. Being ordered to report to Gen. Washburne at Helena, he left Springfield about the middle of September, and soon after received the appointment which he now holds. In writing to friends he says:

"There are no longer any brigade surgeons *as such*; they are *chiefs*, or post surgeons. The position of post surgeon at this place is a very important one. The accommodations are such that two hundred patients can be comfortably cared for, and three hundred have been attended here. Helena is a beautiful city, and with care may be made a healthy place. I am happy to say that the health of our camp is improving. With kind regards to my friends at Janesville, I am truly yours,

C. G. PEASE."

A NEW RELIGIOUS PAPER.—A new religious paper is about to be started in Milwaukee, under the auspices of the Congregational Church. The name has not yet been decided upon, but it will probably be called either the Wisconsin Record, or the Wisconsin Puritan. It will be the organ of the churched named, for this state, and will be published monthly the first year, at fifty cents a year. A committee of clergymen from the state at large has been appointed to edit and take charge of the paper, but being published in Milwaukee, the editorial management will principally devolve upon Rev. Mr. Helmer and Rev. Mr. Love, who are members of the general committee. The first number will appear soon.

MEETING IN LIMA.—There was a rousing meeting in Lima last night, the house was full, and the right spirit was aroused. Messrs. Gibbs and Putnam of this city made good speeches, which were well received. Mr. Edward Vincent was present, giving his approval and support. There is no use in the presistent efforts to detach Mr. Vincent from the republican party, or get him to accept an independent nomination. He is too true for any such operation, and the men who are annoying him with their applications and propositions may as well save their breath and labor. Mr. Vincent sustains the regular republican nominations, and the *whole* of them with all his energy and power.

FOUND.—The belt advertised a few days since, has been left at this office for the owner.

MABIE'S SHOW.—The high wind to-day prevented the erection of the tent in season for an afternoon exhibition, but everything is in order for this evening. This collection of animals is one of the best in the Union, and the other entertainments have met unqualified approval. With a pleasant evening in prospect, the tent will be crowded.

GERMAN SERVICE IN CHRIST CHURCH.—There will be service and preaching in the German language in Christ Church at 3 o'clock p. m. to-morrow, (Saturday,) also on Sunday at 3½ o'clock p. m. Germans are cordially invited to attend these services. Rev. F. Von Schmidt, from Milwaukee, will officiate.

LARGE YIELD.—J. V. Billings, of the town of Turtle, has thrashed 132 bushels of wheat from the growth of four acres.

AN ITEM OF HISTORY.—We shall review to-morrow Mr. Winans' history of the printing matter in the common council.

A VALUABLE ACQUISITION.—The removal of Mr. Pilcher to this city is a valuable acquisition to the city. It will be seen that he is endorsed by the Rev. Mr. Spaulding as an excellent workman, and recommended to those who need his services in any branch of his business.

OWNER WANTED.—An overcoat was left in my yard last Tuesday night. The owner can have it by proving property.

D. 1862 at all the places of holding elections in this state for the election of officers required by law then to be elected, the question whether this act shall become a law and go into effect, or in any manner be in force, shall be submitted to the people; and if the same shall be approved by a majority of all the votes cast on the subject, it shall go into effect; otherwise, it shall not go into effect nor be in force

SECTION 3. The votes cast on the subject specified in the last preceding section, shall be by separate ballot, and shall have written or printed, or partly written and partly printed, on each of them, the words "for amendment to the banking law," or "against amendment to banking law," which words shall indicate the vote for or against the approval of this act; and the ballots so cast shall be canvassed and returned in the same manner as the votes cast for state officers are required by law to be returned and canvassed; and the Secretary of State shall, immediately on the completion of said canvass, publish a statement of the result thereof in the official state paper, and shall communicate the same to the next legislature at the commencement of the session; and he shall also deliver to the State Treasurer a certified copy thereof, with a statement of the result of the canvass upon the subject, immediately after the completion of the canvass.

SECTION 4. This act shall take effect and be in force from and after the twentieth day of January, A. D. 1863.

SECTION 5. All acts or parts of acts conflicting with or in any way contravening the provisions of this act, are hereby repealed.

Chapter 203 approved April 4, 1862; chapter 354 approved June 17, 1862.

Said election to be conducted, the votes canvassed and returns made, in accordance with the provisions of chapter 7 of the Revised Statutes of 1858.

Given under my hand at Janesville, this 11th day of August, A. D. 1862.

THE GREAT SALE!

OF

McKey & Bro's

MAMMOTH STOCK

HAS COMMENCED.

THE Largest Stock ever offered in Wisconsin can now be inspected at their store.

A GREAT TRIUMPH

has recently been achieved by

THE UNION ARMY,

the importance of which to the whole country is admitted by every loyal man. A great Triumph has also been achieved by

McKEY & BRO.

the results of which are not without their importance to the whole people of Wisconsin, as they must admit upon inspecting our enormous stock, and learning the prices. Five months ago, foreseeing the tremendous advance which has since taken place in the price of

DOMESTIC GOODS,

and believing in the old proverb that "Delays are Dangerous," we took "Time" by the forelock and brought our immense

CASH RESOURCES

to bear on a depreciated market, and as we had lived and prospered amongst the people of Wisconsin, we resolved that they should have the benefit of our long experience and large Cash Capital. We therefore purchased in May and June last over

$100,000 Worth of Domestic Goods,

consisting of 300 bales and cases of Fine Medium and Heavy Bleached and Unbleached Sheetings and Shirting, in all the popular widths and makes.

100 cases Merrimac, Cocheco, American, Sprague and other celebrated brands of Fast Color Calicoes, printed in advance for this fall's trade,

50 cases Cotton Flannel, bleached and unbleached, long thick nap, and made on the heaviest drilling.

30 cases and bales of Denims, in the well known Amoskeag, Hay Maker, Mount Vernon and other superior makes.

25 cases and bales of Shirting Stripes, the heaviest and most durable, such as Amoskeag, York, Westbrook, &c.

20 cases Gingham, in Beverly Lancaster and other heavy and fast color makes.

300 bales of Batting, low, medium and Fine.

We have a Monster stock of Flannels of every make, color, quality and width. All our White Flannels are of the highly prized make of Samuel Gilbert, Andover, Mass. They are warranted pure wool and sulphur, stove dried which imparts to them their well known *medicinal* qualities, and makes them sought after by every New England housewife.

Bargains for Cash.

We shall sell a good Madder Print for 10c. A full Madder Print for one shilling, and all our best and choicest styles for 15c.

We shall sell a good unbleached Factory for one shilling, and a good bleached Factory for the same price.

Choice printed and plain DeLaines, worth 20c, at one shilling. If asked how we can afford to do so, we answer "cash" does it.

So much for our Domestic Goods, which have been laid in at a cost of fifty cents on the dollar of what other merchants have since been obliged to pay for them.

We have just received 20 cases of *new and choice styles* of Hamilton, Manchester and Pacific DeLaines, which we shall sell at Cost.

Also 25 pieces of Middlesex, all wool, pressed Flannels, in choice shades, and which we offer at the old price

Our Stock of Black Silks

is full and complete, and was bought when prices were at the bottom—before the tremendous advance in exchange took place.

We have now on hand a magnificent stock of

DRESS GOODS,

consisting of Double Twilled all wool Merinos, printed and plain; English Merinos, printed and plain; French and English Repps and Velours, printed and plain; Tasmania Cloths, Ottomans, Palestrino, Garibaldis, &c. Also 200 pieces all wool and Union Plaid Merinos.

SHAWLS AND CLOAKS.

We have over 3,000 superior all wool heavy Blanket Shawls—bought cheap, and which we shall sell cheap. Our Cloak stock is replete with all the *New and Desirable styles.*

MILLINERY GOODS.

We are now opening our usual fall and winter stock of French Millinery Goods, which will be found to contain all the new and fashionable styles.

In Boots, Shoes and Rubbers

we are largely and well assorted.

Our Clothing Store

will be found to contain every thing that is new, elegant and economical, consisting of

Coats, Vests and Pants,

got up under the supervision of our own experienced cutter, together with a fine assortment of

HATS, CAPS, CLOTHS, CASSIMERES, VESTINGS. &c., &c.

In conclusion we would advise the public not to be attracted by those who show false colors or get up "clap trap" advertisements, but to come at once and inspect our stock, which is larger than all other stocks in Janesville put together, and which will be sold at less than present New York nett cash prices, at the store of

JUSTICES BLANKS FOR SALE.

S.T.-1860-X.

The language of nature and experience demonstrates that whoever would enjoy the pleasures of food—the beauties of landscapes—the joys of companionship—richness of literature—or the honors of station and renown—*must preserve their health.*

The stomach is the receptacle of all nourishment, and the fountain from which all parts of the body, derive sustenance. The effect of foul injurious food entering the stomach, is to derange the digestive organs, and produce *headache, loss of appetite, unrefreshed sleep incapacity to perform any mental or physical duty, &c.*, and are the symptoms of that horrid disease

DYSPEPSIA,

which assumes a thousand shapes, and points towards a *miserable life and premature decay.* The Medical Faculty has labored for generations to discover reliable appetizers and the proper means of overcoming stomachic derangements. Certain ingredients have been long known as partially effective. Among these were

CALISAYA BARK & ST. CROIX RUM.

An invalid physician, sojourning in the tropical island of St. Croix, observing the habits of the natives, gathered the recipe for the final accomplishment of this most important end. The article was first used as a private medicine, when its salutary effects becoming known, it was brought out under the name of

DRAKE'S PLANTATION BITTERS.

They act with unerring power, and are taken with the pleasure of a beverage. They perform most wonderful cures in stubborn cases of Dyspepsia, Liver Complaint, Nervous Affections, Loss of Appetite, Intermittent Fevers, Diarrhoea, Sour Stomach, Headache, Fever and Ague, Weakness, Mental Despondency, &c. *As a morning appetizer and after dinner tonic, they should be in every family. They are a delightful, exhilarating stimulant, without any subsequent reaction.*

IMPORTANT CERTIFICATE.

ROCHESTER, December 28th, 1862.

MESSRS. P. H. DRAKE—

Gentlemen:—I have suffered terribly with Dyspepsia for three or four years, and tried many remedies without effect. I had to abandon my profession, and suffered greatly from everything I ate. I have now tried the Plantation Bitters—they helped me—I continued their use, and am now nearly a well man. I know of several similar cases,

Respectfully yours,

REV. J. S. CATHORN."

S.T.-1860-X.

Intilligent persons and physicians can judge of the efficacy of the Plantation Bitters from the following partial formula.

CASCARILLA BARK

was known and used in Germany for Dyspepsia, Chronic Diarrhoea, Colic, Dysentery, and diseases of the Stomach and Bowels as early as 1690.

DANDELION,

for Inflammations of the Loins and Spleen in Dropsical Affections and Billiary Secretions, or Obstructions of the Abdominal Viscera.

CALISAYA, OR KING'S BARK,

was unknown to civilization until the middle of the 17th century. Humboldt makes favorable mention of the febrifuge qualities of this article as an Antidote to Fever and Ague, Intermittent and Malarious Fevers, in his extensive South American travels. The countess, wife of the Viceroy of Peru, having experienced the beneficial effects of this Bark, sent it to Europe in 1640. It was sold by the Jesuits for the *enormous sum of its own weight in silver*, and was thus called JESUITS' POWDERS. In 1658, Sir John Talbot employed it with great success in France, in the treatment of Fever and Ague, Dyspepsia, Nervous Affections, Loss of Appetite, Weakness and Debility, Palpitation of the Heart, Diarrhoea, &c., under the name of English Powders and in 1679, he sold the secret of its origin to Louis XIV, by whom it was divulged. It is now a standard remedy in all Pharmacopoeia, and is employed in preparing the Plantation Bitters.

Chamomile Flowers, for enfeebled digestion; *Wintergreen*, valuable for Scrofula, Rheumatism and Nefratic Affections; *Lavender Flowers*, aromatic, stimulant and tonic, highly invigorating in Nervous Debility; *Anise*, an aromatic carminative, creating flesh, muscle and milk. Much used in nursing.

S.T.-1860-X.

Another ingredient of remarkable and wonderful virtue used in the preparation of these Bitters is a native of Brazil, and as yet unknown to the commerce of the world. A Spanish writer says:

* * * * "administered with St. Croix Rum, never fails to relieve nervous tremor, wakefulness, disturbed sleep, &c., and that it is used with great effect by the Brazilians, Spanish and Peruvian Ladies to heighten their color and beauty. It imparts cheerfulness to the disposition, vigor to the appetite and brilliancy to the complexion."

We withhold its name from the public for the present.

To the above are added Clove Buds, Orange, Carraway, Coriander, Snake Root, &c., all preserved in perfectly pure

ST. CROIX RUM.

The tonic properties of St. Croix Rum, and its powerful invigorating effects, have been long known to the physicians of the world.

Billious, Intermittent and Chill Fevers, engendered by the change of water and diet of travelers, particularly upon western rivers, are prevented and cured by the Plantation Bitters. They are also reliable to prevent sea sickness.

WHAT OTHERS SAY.

"PHILADELPHIA, 1st month, 16th day, 1862.

ESTEEMED FRIEND:—Wilt thou send me another dozen of thy Bitters? Nothing has proven so beneficial to my invalid wife or myself, as the Plantation Bit

Thy friend,

ISAAC HOWLAND."

N. B.—The secret of the immense sale of the Plantation Bitters, is their *guaranteed purity.* The St. Croix Rum, and every article used, is warranted perfectly pure, and the money will be returned if not as represented.

The Plantation Bitters are put up in unique quart bottles, and sold by all respectable Druggists, Grocers, Hotels and Resturants throughout the world. Be particular that every bottle bears the *fac-simile* of the Proprietor's signature.

SMITH & BOSTWICK,

PROPRIETORS.

All kinds of Merchandise on Sale by the

Also, at Retail, at from Fifteen to Twenty per cent Less than the present price of the Manufacturers.

The Fall and Winter Campaign

is now

Fully Opened.

THE NEW YORK CASH STORE

has got

The Lead

and is

BOUND TO KEEP IT.

There is no Stock of Goods in Janesville that can Stop It.

WE have now in our Three Stores the largest stock of all kinds of Merchandise to be found in the interior of Wisconsin, particularly of

STAPLE GOODS.

Our entire stock of Staple Goods were bought in July and August, for cash, before the great rise in all kinds of Cotton Goods, and we are selling them from

Fifteen to Twenty per cent Less

than the manufacturers are by the 50 cases. We are in receipt every week of the manufacturers' prices of all the cotton goods made in the United States, which is open to the public for examination at our store at all times, so that our customers can see for themselves whether what we say is so or not.

We shall for the next thirty day sell our entire stock of

Domestic Goods,

consisting of Prints, Brown and Bleached Sheetings, Denims, Stripes, Ticks, Checks. Brown and Bleached Cotton Flannels, Bags, Batting and our entire Domestic stock at least twenty per cent less than the present prices of the manufacturers.

Our stock of Foreign

FANCY & STAPLE GOODS

is twice as large as it ever was before, and much the largest stock in the city. All bought before the great rise in foreign exchange, consequently will be sold at less prices than we could by the same goods for at the present time in New York.

LADIES' CLOAKS.

The largest stock of these goods to be found in the state just received, and selling full as cheap as last year.—Also a very large assortment of

SHAWLS

of all kinds, from the lowest price wool shawl, to the best Brocha made.

LADIES' FURS!

Three thousand dollars worth of these goods just received. In these goods we know no competition—having bought our entire stock direct from the importers and manufacturers, saving two or three jobbers' profits. We are selling Ladies' Furs less than merchants pay for them who buy in a small way. We have much the largest stock in Janesville, and will sell them from 25 to 50 per cent less than any house in this city. We mean exactly what we say.

Ladies' Hoods, Nubias, Skating Caps,

&c. These goods we are selling cheaper than we did last year, or any other year, so that our customers cannot say but there is one thing they can buy as cheap this year as they ever did. We are just in receipt of

TWO HUNDRED DOZEN

of the above goods, direct from a New England manufacturer, to whom we gave our orders some two months since, and were made at least thirty per cent less than we could buy the goods for now. We are selling the same quality of Hoods for one dollar, that we sold last year at twelve shillings. We have also a few beautiful

SILK PLUSH HOODS,

trimmed with fur, to be found in no other place in Janesville.

Merchant Tailoring Department.

GREAT REDUCTION

—IN—

The Prices

—OF—

SINGER & CO.'S STANDARD MACHINES

Well known to be the best for

Manufacturing Purposes:

No. 1, Standard Shuttle Machine, formerly sold at $90,

Reduced to $70.

No. 2, Standard Shuttle Machine, formerly sold at $100,

Reduced to $70.

Singer's Letter A Machine,

IS the best Machine in the word for Family Sewing and Light Manufacturing purposes; Price, (with Hemmer,) and beautifully ornamented,

FIFTY DOLLARS.

The Nos. 1 and 2 machines are of great capacity and application for manufacturing purposes.

Our No. 3 machines are especially adapted to all kinds of light and heavy

LEATHER WORK,

In Carriage Trimming, Boot and Shoe Making, Harness Making, etc., etc. They are of extra size, with an arm long enough to take under it and stitch the largest sized dashes. There is scarcely any part of a Trimmers' stitching that cannot be better done with them than by hand; so, too, the saving of time and labor is very great. The table under these machines is 24 inches long, and the shuttle will hold six times the usual quantity of thread. The large machines work as fast as small ones.

We would ask for our Letter A machines, the special attention of *Vest Makers* and *Dress Makers*, and all those who want machines for Light Manufacturing purposes. They embody the principles of the standard machines, making like them, the interlock stitch, and are destined to be as celebrated for Family Sewing and light manufacturing purposes as our standard machines are for manufacturing purposes in general.

We have always on hand

Hemming Guages, Silk Twist, Linen and Cotton Thread on Spools, Best Machine Oil in Bottles, etc., etc.

We manufacture our own Needles, and would warn all persons using our machines not to buy any others. We know that there are needles sold *of the most inferior quality*, at higher prices than we charge for the best. The needles sold by us are manufactured especially for our machines. *A bad needle may render the best machine almost useless.*

Our customers may rest assured that all our Branch Offices are furnished with the

GENUINE ARTICLE.

In case of small purchases, the money may be sent in postage stamps or bank notes.

☞ Correspondents will please write their names distinctly. It is all important that we should in each case know the post office, county and state.

☞ All persons requiring information about Sewing Machines, their size, prices, working capacities, and the best methods of purchasing, can obtain it by sending to us, or any of our Branch Offices for a copy of

I. M. SINGER & CO.'S GAZETTE,

which is a beautifully illustrated Pictorial Paper. *It will be sent Gratis.*

We have made the above Reduction in Prices with the two-fold view of benefitting the public and ourselves. The public have been swindled by spurious machines made in imitation of ours. The metal in them, from the iron casting to the smallest piece, is of poor quality. Their makers have not the means to do their work well. They are hid away in secret places, where it would be impossible to have at their command the proper mechanical appliances. It is only by doing a great business, and having extensive manufacturing establishments, that good machines can be made at moderate prices. The best designed machines, Badly Made, are always liable to get out of order, and are sure to cost considerable trouble and money to keep them in repair. The qualities to be looked for in a machine are: *certainty of correct action at all rates of speed, simplicity of construction, great durability and rapidity of operation, with the least labor.* Machines to combine these essential qualities, must be made of the *best metal* and *finished to perfection*. We have the ways and means, on a grand scale, to do this.

The purchasers of machines, whose daily bread it may concern, will find that those having the above qualities not only work well at *rapid* as well as *slow* rates of speed, but *last long* in the finest possible working order. Our machines, *as made by us, will earn more money with less labor* than any others, whether in imitation of ours or not. In fact, they are cheaper than any other machine as a gift.

OVER THE POST OFFICE.

THERE is nothing so much sought for by the public as a practical Sewing Machine, one that is

Simple, Strong & Reliable.

One that will run for years without the annoyance of being out of repair; one that is noiseless and swift in motion; also that makes the stitch as you want it, alike on both sides of the fabric; such are the machines of the

FLORENCE SEWING MACHINE COMPANY.

Who take pleasure in placing their Machines before the public, and unhesitatingly say they are the best in the world, and openly and publicly challenge manufacturers of any and all manufactures to do as large a range of work as can easily be done on one of these machines. They make

FOUR DIFFERENT STITCHES,

and have all the advantage of a reversible feed motion, which carries the work either way, which, together with making all the four stitches, can be done whilst the machine is in motion; the saving of time in stopping to change the length of stitch, is obviated by this machine.

Any correspondence regarding our Machines will be promptly answered. Enclose a Letter Stamp and we will send circular and sample of work by return mail.

DR. J BOVEE DODS' IMPERIAL WINE BITTERS,

ARE made from a pure and unadulterated Wine, which is about double the usual strength of other Wines, and is imported by only one house in the United States. Also, from the following valuable Roots, Herbs, &c., viz: Solomon's Seal, Spikenard, Camomile Flowers, Gentian, Wild Cherry Tree Bark, and Bayberry.

WE CHALLENGE

THE WORLD

to produce

THEIR EQUAL!

We do not profess to have discovered some Roots "known only to the Indians of South America," and a cure for "all diseases which flesh is heir to," but we claim to present to the public a truly valuable preparation, which every intelligent Physician in the country will approve of and recommend. As a remedy for

INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, Diseases peculiar to Females, Debility, and all cases requiring a Tonic, they are

UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, or for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilirating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to excessive use of strong drink, and wish to refrain from it. They are pure and entirely free from the poison contained in the adulterated Wines and Liquors with which the country is flooded.

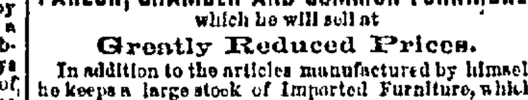

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

GREAT REDUCTION
—IN—
The Prices
—OF—
SINGER & CO.'S
STANDARD MACHINES
Well known to be the best for
Manufacturing Purposes:

No. 1, Standard Shuttle Machine, formerly sold at $90,
Reduced to $70.

No. 2, Standard Shuttle Machine, formerly sold at $100,
Reduced to $70.

Singer's Letter A Machine,

IS the best Machine in the word for Family Sewing and Light Manufacturing purposes; Price, (with Hemmer,) and beautifully ornamented,

FIFTY DOLLARS.

The Nos. 1 and 2 machines are of great capacity and application for manufacturing purposes.
Our No. 3 machines are especially adapted to all kinds of light and heavy

LEATHER WORK,

in Carriage Trimming, Boot and Shoe Making, Harness Making, etc., etc. They are of extra size, with an arm long enough to take under it and stitch the largest sized dashes. There is scarcely any part of a Trimmers' stitching that cannot be better done with them than by hand; so, too, the saving of time and labor is very great. The table under those machines is 24 inches long, and the shuttle will hold six times the usual quantity of thread. The large machines work as fast as small ones.
We would ask for our Letter A machines, the special attention of Vest Makers and Dress Makers, and all those who want machines for Light Manufacturing purposes. They embody the principles of the standard machines, making like them, the interlock stitch, and are destined to be as celebrated for Family Sewing and light manufacturing purposes as our standard machines are for manufacturing purposes in general.
We have always on hand

Hemming Guages, Silk Twist, Linen and Cotton Thread on Spools, Best Machine Oil in Bottles, etc., etc.

We manufacture our own Needles, and would warn all persons using our machines not to buy any others. We know that there are needles sold *of the most inferior quality*, at higher prices than we charge for the best. The needles sold by us are manufactured especially for our machines. *A bad needle may render the best machine almost useless.*
Our customers may rest assured that all our Branch Offices are furnished with the

GENUINE ARTICLE.

In case of small purchases, the money may be sent in postage stamps or bank notes.
☞ Correspondents will please write their names distinctly. It is all important that we should in each case know the post office, county and state.
☞ All persons requiring information about Sewing Machines, their size, prices, working capacities, and the best methods of purchasing, can obtain it by sending to us, or any of our Branch Offices for a copy of

I. M. SINGER & CO.'S GAZETTE,

which is a beautifully illustrated Pictorial Paper. *It will be sent Gratis*

" We have made the above Reduction in Prices with the two-fold view of benefitting the public and ourselves. The public have been swindled by spurious machines made in imitation of ours. The metal in them, from the iron casting to the smallest piece, is of poor quality. Their makers have not the means to do their work well. They are hid away in secret places, where it would be impossible to have at their command the proper mechanical appliances. It is only by doing a great business, and having extensive manufacturing establishments, that good machines can be made at moderate prices. The best designed machines, Badly Made, are always liable to get out of order, and are sure to cost considerable trouble and money to keep them in repair.
The qualities to be looked for in a machine are: *certainty of correct action at all rates of speed, simplicity of construction, great durability and rapidity of operation, with the least labor.* Machines to combine these essential qualities, must be made of the *best metal* and *finished to perfection.* We have the ways and means, on a grand scale, to do this.
The purchasers of machines, whose daily bread it may concern, will find that those having the above qualities not only work well at *rapid* as well as *slow* rates of speed, but *last long* in the finest possible working order. Our machines, *as made by us*, will *earn more money* with *less labor* than any others, whether in imitation of ours or not. In fact, they are cheaper than any other machine as a gift.

One that will run for years without the annoyance of being out of repair; one that is noiseless and swift in motion; also that makes the stitch as you want it, alike on both sides of the fabric; such are the machines of the

FLORENCE SEWING MACHINE COMPANY.

Who take pleasure in placing their Machines before the public, and unhesitatingly say they are the best in the world, and openly and publicly challenge machines of any and all manufactures to do as large a range of work as can easily be done on one of these machines. They make

FOUR DIFFERENT STITCHES,

and have all the advantage of a reversible feed motion, which carries the work either way, which, together with making all the four stitches, can be done whilst the machine is in motion; the saving of time in stopping to change the length of stitch, is obviated by this machine.
Any correspondence regarding our Machines will be promptly answered. Enclose a Letter Stamp and we will send circular and sample of work by return mail.

DR. J BOVEE DODS'
IMPERIAL WINE
BITTERS,

ARE made from a pure and unadulterated Wine, which is about double the usual strength of other Wines, and is imported by only one house in the United States. Also, from the following valuable Roots, Herbs, &c., viz: Solomon's Seal, Spikenard, Camomile Flowers, Gentian, Wild Cherry Tree Bark, and Bayberry.

WE CHALLENGE
THE WORLD
to produce
THEIR EQUAL!

We do not profess to have discovered some Roots "known only to the Indians of South America," and a cure for "all diseases which flesh is heir to," but we claim to present to the public a truly valuable preparation, which every intelligent Physician in the country will approve of and recommend. As a remedy for

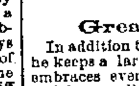

INCIPIENT CONSUMPTION,

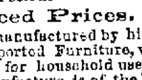

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, Diseases peculiar to Females, Debility, and all cases requiring a Tonic, they are

UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.
For the aged and infirm, or for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.
As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to excessive use of strong drink, and wish to refrain from it. They are pure and entirely free from the poison contained in the adulterated Wines and Liquors with which the country is flooded.
These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.
Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.
CHARLES WIDDIFIELD & CO.,
Proprietors, 78 William St., New York.
And sold by Druggists generally.

N. SWAGER,

WOULD call the attention of the people of Janesville, Rock and adjoining counties, to his increased facilities for manufacturing

PARLOR, CHAMBER AND COMMON FURNITURE
which he will sell at
Greatly Reduced Prices.

In addition to the articles manufactured by himself he keeps a large stock of Imported Furniture, which embraces everything needed for household use, and which, as well as his own manufacture, is of the latest styles and superior quality.
☞ Coffins, of all sizes and trimmed in every variety of style constantly on hand.

Metalic Burial Cases and Caskets.

I have just received a large assortment of these articles, of an improved style and perfectly air tight. As none have been kept in this city for the last three or four years, much inconvenience has been experienced in sending for them.
I invite an examination of all my stock, knowing that I can give satisfaction both in quality and price. Shop on Milwaukee street, second door above Central Bank, sign of the coffin. N. SWAGER.
